SUNDAY SCHOOL REPORT

I am happy to report that Sunday School enrollment continues to rise throughout our Southern Baptist Convention. It is only a slight rise, but at least it is not a decline.

I'm hoping, therefore, that this will be true for our association as well.

We have had a good Sunday School year, and I notice more enthusiasm in the area of preparation, planning and training, which is a good sign. Many churches observed Preparation Week, September 28 - October 5, and also conducted well-attended January Bible Study schools.

Some of our workers received training in the Action program in Greenville on March 4th, and interest in running high in knowing more about this successful way of enrolling people in Bible Study. More will be done about this program this year in our association.

Our state V.B.S. Clinic was held at Wingate March 17-19, and was well attended. Our associational V.B.S. Clinics was held again this year at Hertford on April 12 with approximately 200 in attendance, and 22 churches represented.

We had opportunities for further training our Sunday School workers in a state Projects Training in Raleigh on May 21, and a Sunday School Planning Dialogue in Williamston on June 2.

Keep up the good work! Learn more about the Action program and see if your envolvement will help your Sunday School growth.

Repsectfully submitted,
Ralph W. Knight
Sunday School Director

23. Herbert Hemingway presented the Church Training Report and moved its adoption. The motion was seconded and carried.

CHURCH TRAINING REPORT

In 1971, eighteen Churches reported having a Church Training Program. These eighteen churches reported an enrollment of 924 and an average attendance of 513. In the 1975 report there were only fifteen (15) churches listed as having Church Training. These fifteen (15) churches reported an average attendance of 479 members.

On February 28, 1976, at Berea Baptist Church the movie "The Thief In the Night" was shown. The attendance was good and many of our young people made decisions for Christ. Refreshments and fellowship was provided by the host church.

Respectfully submitted,
Herbert Hemingway
Church Training Director

24. Bond Sawyer presented the Brotherhood report and moved its adoption. The motion was seconded and carried.

BROTHERHOOD REPORT

Once again this year our Royal Ambassadors have been the most active element in the Brotherhood program of the Chowan Association. Some of their activities are as follows: Under the leadership of Mr. Fahey Harrell, there was an associational wide basketball set up this past church year. There were 12 churches participating in two divisions - one division in the Elizabeth City-Camden-Hertford area and the other in the Gatesville area. Following a divisional play off held in Hertford, a younger Pioneer team from Shiloh Baptist church and an older Pioneer team from Gatesville Baptist Church were sent to the regional playoffs in Raleigh on March 5 and 6, 1976. The younger Pioneer team from Shiloh was defeated in its first game by a team from the Transylvania Association. The older Pioneer team from Gatesville won the regional playoffs and went on to compete in the state championship which was held at Campbell College on March 20, 1976. They made a fine attempt but were defeated.

The Chowan Associational RA track meet was held on April 24, 1976, with 8 churches participating. The winners were: Berea Baptist Church, First palce; Hertford Baptist church, second place; Rocky Hock Baptist church, third place. Trophies were awarded to the churches and ribbons to the individual boys. The State RA track meet was held on May 21, 22, 1976. Hertford and Berea churches participated. Our association had one state winner, James Bunch, a Crusader from Hertford Baptist Church, who won for softball throw.

This past year also had a few new developments for our Baptist Men. Something completely new was a Baptist's Men's rally held on June 3, 1976, at the Memorial Baptist Church in Greenville, N.C. This was the first time that Regions I and II have had a joint meeting. Some interesting and inspiring information was given at this rally by Dr. Cecil Ray.

Also this rally was the beginning of a new type of endeavor to be tried first in Northeastern North Carolina, and if proven satisfactory, throughout the rest of the state. This program is designed for Regions I and II and is named Disaster Relief. It will provide, through the efforts of our Baptist men, what the name implies. It is presently in the planning stages with more information to be given later on. The Disaster Relief Program will be closely aligned with Civil Defense work and will cooperate with that organization.

The Regional Brotherhood Workshop was hosted by the West Chowan Association last fall. The annual RA day Camp at Camp Cale hosted about 80 RA boys.

Respectfully submitted,
Fahey Harrell, RA Director
Mike Aydlett, Brotherhood Director

25. Mrs. Frank Barnes presented the WMU report and moved its adoption. The motion was seconded and carried.

WOMAN'S MISSIONARY UNION REPORT

I wish to review some of the activities that women in the Chowan Association have shown their desire to serve and honor God during the past year.

One of the highlights of the year was the annual Associational WMU meeting held at Berea Church in April. There were 239 present with 39

churches represented. Our hearts were challenged by the Edenton youth who told their experiences in mission work among the Navajos. A love offering of $214.60 was given to these youth for their return to the same mission field in the summer of 1976. The afternoon speaker, Mr. Jimmy Morris, Director of the A. J. Fletcher Baptist Communications Center of the Baptist State Convention of N.C. closed the meeting with an inspirational message "The Urgency of Communicating the Gospel through Mass Media."

The Acteens held an Associational Acteens gathering at Warwick Church in November. The program "Belles for Christ" was presented by Acteens and their leaders and included reports from Edenton on their Arizona Mission trip, from Sandy Cross and Woodville on the National Acteens Conference and from Hertford on State Acteens Convention. The Acteens meeting at Rocky Hock in March featured missionary Ralph Harrell and missionary journeyman, Winslow Carter.

The Girls in Action Fall GA Rally in October at Salem church was well attended with Rev. Brian Tiffany, pastor of Moyock Church presenting an interesting slide presentation. A very impressive Mission Adventures Fair was held at Moyock church in March. Rev. Ralph Harrell, missionary to Kenya, Africa on furlough shared the fruits of his labors among the African natives.

The Day Camps at Camp Cale for Girls in Action and Acteens afforded opportunities for missions, crafts, recreation and Christian fellowship and were well attended.

The Prayer Retreat at Camp Cale in August was attended by approximately 75. Rev. Charles Ledford, pastor of Macedonia Church conducted the Bible Study. We were inspired by testimonies, music and periods of silent prayer.

I am happy to announce 1 Baptist Women, 4 BYW, 2 Acteens, 1 GA and 1 Mission Friends organizations newly organized in our Association. This is evidence of the Christian growth in missions among our churches.

There has been a deepening interest in missions expressed by more people praying and more sacrificial giving...only eternity will reveal the results of these efforts. It is difficult to say where or by whom seeds have been plated but I trust we are worthy of saying with Paul "I have planted, Apollos watered but God gave the increase."

Respectfully submitted,
Mrs. Frank Barnes
WMU Director

26. Billy Jackson presented the Camp Cale report and moved its adoption. The motion was seconded and carried.

CAMP CALE REPORT

The three work days of March, April and May did not get the camp in order for camping due to a shortage of help. The directors and counselors moved in and did an excellent job of cleaning and fixing the camp.

Resident camping attendance was down but our staff did an excellent job. Approximately 10% of the campers accepted Christ as their Lord and Savior. Our thanks for the fine leadership of a dedicated staff: Bruce Copeland and Linda Riddick, Co-Directors. The counselors were Wayne Proctor, Connie Arnold, Ray Eure and Daphne Winslow.

A copy of the 1977 workday schedule will be mailed to each department head of each church during the month of January.

The camping schedule for 1977 has been worked out and as is follows: Six weeks of resident camping will begin June 13, 1977. Four days of day camping will be June 27-30. For boys the camp dates are July 25-30 and for girls July 15-18. The older youth and college students did not respond

this year therefore no time is scheduled for them. Sunday School directors of each church are requested to send the names and addresses of each person 9-18 years of age to the Associational Office prior to January 31, 1977. Brochures with reservation forms attached will be mailed to each young person 9-18 years of age about April 15, 1977. The 1977 schedule for Camp Cale activities will be mailed to the churches right after January.

When you receive a key for your group to use the camp, that key will unlock every lock. We urge you to return this key upon your arrival at home.

We appreciate all gifts to the Camp Cale Building Fund which has grown to about $9,000.00 and drawing interest. This amount is about one-fourth of the amount needed to start building the winterized Lodge building. This building will more than triple the programming of Camp Cale...let's make it a reality.

Respectfully submitted,
Billy Jackson
Camp Cale Council Chairman

EVANGELISM REPORT

All churches have already recieved the booklet: GROWTH EVANGELISM: An Evangelism Planning Calendar for Pastors of Churches - 1976-77. It contains suggestions for various evangelism emphases for the local church for the coming new year including C.A.R.E. Revivals for 1977. The pastor and leaders of each church are encouraged to outline definite evangelism plans with adults and youth during 1976-77.

There was an overflow in attendance of more than 2,600 pastors and lay persons at the 30th Statewide Evangelism Conference at the Civic Center Auditorium, Asheville on February 2 - 4, 1976. The theme was "Freedom in Christ". The response from many persons indicated that this conference was one of the best in several years.

Lay persons and pastors continue to respond to the emphasis on lay witness training through Lay Evangelism Schools. During the past 4½ years, 14,284 youth and adults have participated in these schools from 1,150 churches and 62 associations. During the last evenings of the 62 weeks of schools there have been 896 professions of faith made by youth and adults in their homes.

The Division of Evangelism is continuing to cooperate with the Brotherhood Department in Lay Renewal Weekends and Ministry Evangelism Weekends. Why not talk with Ed Bullock of the Brotherhood Department about one of these teams coming to your church? It would be a great time in the life of your church.

Good reports have been received from many of the churches. We should be grateful for the many opportunities given to us to serve our Lord. Pray for revival within the churches in our association. Pray for a great movement of God's power in the world.

The 31st Statewide Evangelism Conference will be February 7-9, 1977 at the War Memorial Auditorium in Greensboro. Encourage a group from your church to attend.

Respectfully submitted,
Larry McClure
Chairman of Evangelism

29. Charles Ledford presented the 1976-77 budget and moved its adoption. The motion was seconded and carried.

EXECUTIVE COMMITTEE REPORT

The Executive Committee met in December, March, and September. The June meeting failed to be a meeting of record due to a lack of quorum.

The year 1976 has been a time of discussion and questioning for the Chowan Baptist Association. Study was continued in the need for an Associational Director of Missions and expanded Camp program. Little outward headway was made due to a lack of response to the questionnaire. It is hoped that in the months ahead greater advancement can be made in this study.

The various committees of our Association continue to do the bulk of our Associational work. They often do this without full recognition for their untiring service. As moderator, I have been dependent upon their faithfulness to their tasks.

I fell confident that I have gained far more that I have given in these two years that I have served as moderator.

Respectfully submitted,
Robert E. Gray, Moderator

41. Earl Harrell, Associational Treasurer, gave his financial report and moved its adoption. The motion was seconded and carried.

ANNUAL AUDIT REPORT

This is to certify that I have audited the books of the Association, as kept by Earl G. Harrell, Treasurer, and find them in good order. I do also certify that the foregoing report represents the business of the Association for the year ending September 30, 1976 and that it is correct as stated.

Respectfully submitted,
J. A. Curran, Auditor

42. Dennis Morgan moved that we give our Associational Treasurer, Earl Harrell, a standing vote of thanks for his excellent work as treasurer.

43. Bob Gray moved that the annual audit report conducted by Mr. J. A. Curran be accepted. The motion was seconded and passed.

44. Ronald Farrar presented the Missions Advisory Committee Report and moved its adoption. The motion was seconded and carried.

MISSIONS ADVISORY COMMITTEE REPORT

The area of concern for your Mission Advisory Committee during the 1975-76 year fell into six cateogries of responsibility and opportunity: (1) migrant missions, (2) support of the Great Love Baptist Mission, (3) The Circus Tent, Inc. and the Showboat Puppett ministry, (4) survey of Cape Hatteras, (5) feasibility of employing an Associational Director of Missions, and (6) possiblity of securing an area missionary for the Chowan Association and portions of the West Chowan and South Roanoke Associations.

1. The Migrant Ministry program this year was under the able direction of Rev. W. Bond Sawyer. We were aided in our work by the State Convention which was responsible for obtaining two fine young college students who worked with the migrant workers for six weeks. From the reports received, an excellent job was done in this area. Our budget of $2,000 more than covered the expenses occurred which amounted to $1,775.39. We would like to give a special thank you to the Berea Baptist Church for providing a bus and driver for the Vacation Bible School which was held in the facilities of the First Baptist Church of Elizabeth City. Without the help of all the churches this ministry could not have taken place.

2. The Great Love Baptist Mission under the support of the Geneva Baptist Church has progressed in its program of ministering to the residents of the Universal Trailer Park and the surrounding area. They have obtained a two-acre tract of land with a usable building, and are renovating the building for a sanctuary and class rooms. The Association has played a small part in this ministry through providing much needed monetary gifts

and the local churches have responded with special love offerings during the year. The Missions Advisory Committee continues to stand ready to give what aid it can and to help as needed.

3. The Circus Tent, Inc. and the Showboat Puppet Ministry continues to be one of the real exciting mission enterprises of our local Association. Our budget provides $500 per year for this ministry and the State Convention adds an additional $750. This ministry reached over 70,000 people this past year as they worked in the tent with its ice cream parlor, and the Puppet Ministry in special programs in schools, churches, motels, camp grounds, and nursing homes over a five-state area. For the first time the Circus Tent, Inc. is in a position to begin plans for a permanent type of building instead of a temporary canvas tent. This will open many new doors as it will provide twelve months of beach ministry through Bible studies and special programs, using all types of media for the permanent residents of the beach.

4. The Committee was contacted this past year by a group of concerned Southern Baptists located at Cape Hatteras in regard to beginning a mission work in that area. Working with Mr. Roy Smith of the State Convention, a meeting was held and we are currently researching the probability of a new work in this area of our Association. The need is great at Cape Hatteras as the closest Southern Baptist church is approximately 60 miles away, and there are 1,500 permanent residents in a ten-mile span. The State Convention is providing a team to go into the area the latter part of October to survey the population.

5. During the 1974-75 associational year this committee was instructed to do an in-depth study with regard to the need for an Associational Director of Missions. The Mission Advisory Committee has requested from the Executive Council a years extension for the report and it was granted. The request was made because the Committee has not received enough of the questionnaires that were sent to the churches to ascertain the true feelings of the Association as a whole. Our prayer is that we will receive enough questionnaires or comments in other types of correspondence to be able to report to you next year.

6. Within the past month, Dr. Howard J. Ford and Mr. Roy Smith of the State Convention has contacted us concerning the excellent possibility of placing an area missionary with the following proposed job description: "It will be the objective of this associate work with the pastors, churches, and associational missionaries or associational leadership in the designated area, in keeping with policies of the General Board's Division of Missions of the Baptist Convention of North Carolina." The designated area referred to would be the Chowan Association, part of the South Roanoke Association, and part of the West Chowan Association. The duties would encompass at least the following:

1. To work at the task of overall church development
2. to promote Seminary extension work
3. represent the denomination to the churches of the area
4. to give general promotion to our overall mission work and Cooperative Program giving.
5. to promote and organize Resort Mission Ministry.

The funds are currently available for this new position of the State Convention through the Bold Mission Thrust of the Home Mission Board.

Respectfully submitted,
Ronald E. Farrar, Chairman
Missions Advisory Committee

46. George Broome led the devotional period in reading from Matthew 28:18-20 and leading in prayer.

47. Mrs. Frank Williams led in special music.

48. Robert E. Gray delivered the annual message.

Changed to: The Executive Committee shall hold its regular meetings on the first Tuesday in December, March, June, and September."

The motion was seconded and carried.

56. Larry McClure moved that $4,000.00 be transferred from the General Fund to the Camp Cale Special Fund. This motion was seconded and carried.

57. Charles Ledford moved that the Treasurer be authorized to write a check for $11.40. This money to be part of a love offering to present one of our retiring Convention leaders, A. V. washburn, with a new automobile This motion was seconded and carried.

REPORT OF STANDING COMMITTEE

STATE MISSIONS REPORT

The North Carolina Baptist State Convention was founded for Missions. We are a state convention of 3,458 autonomous churches coming together "...to promote missions, evangelism, education, social services." (Constitution, Article II). It is held together because of missions. And its future growth depends upon a commitment to missions.

Basic to that commitment is a strong program of State Missions. The state of State Missions strongly affects the state of Home and Foreign missions. Mission programs in distant areas depend upon the strength of the "sending churches" back home. Overseas and national missions look to the churches for prayer, concern, missionaries, and money. To be weak on the "home front" is to be even weaker in distant lands.

During the past several years State Missions has emphasized programs to strengthen chuch and association ministries. Two important emphases are Bible study and leadership training. A strong Christian education program is the backbone of mission support. The Church Program department-Sunday School, Church Ministries and Training, Church Music, WMU, and Brotherhood--are wholly committed to these tasks.

A second major program of State Missions are the "direct mission" ministries. These programs lengthen the churches' concern across the state, representing you in areas where your church does not serve. The ministries include Deaf Missions, Resort Missions, Student Missions, Chaplaincy and Language Ministries, Christian Social Ministries. and Interracial Ministries.

Cooperation in Baptist missions is also evident in the way the programs are conducted. Resort Missions, for example, is usually a joint project of area churches, Associational Missions, State Missions, and Home Missions. In fact, the vast majority of Home Mission projects in North Carolina are financed percent by State Missions.

State Missions is supported by the Cooperative Program and the annual State Missions Offering, September 19. We all need to strengthen our home base of mission support in North Carolina.

Respectfully submitted,
Harvey Y. Criminger, Jr.

REPORT OF CHRISTIAN EDUCATION

A careful reading of North Carolina Baptist history reveals that the Baptist State Convention was organized primarily for the purpose of establishing a Baptist college. When the Convention was formed in 1830, there were two church academies already in existence, as well as the University of North Carolina in Chapel Hill. However, Baptists wanted their own school. Wake Forest Institute was begun in 1834. Five years later the Institute became Wake Forest College. Thus, Baptists in this state have been closely identified with Christian higher education for 142 years.

Today, the Christian higher education system of Baptists embraces six other colleges in addition to Wake Forest: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith and Wingate. Since 1944, these schools have been guided in their development by the Council on Christian Higher Education of the Baptist State Convention. The Council is the only organization of its kind in the Southern Baptist Convention, and is one of the oldest educational cooperatives in America.

In a secular world with its materialistic priorities, Baptist colleges are committed to the guidance of Christian values in the search for truth. Believing that God is the source of all knowledge and wisdom, Baptist colleges can urge students to search for truth in all areas of knowledge without fear.

Baptist colleges reaffirm their gratitude for the support given by Baptists through the Cooperative Program. We further reaffirm our faith in and our support of the local church, and the broad programs of our denomination.

George H. Cooke

BAPTIST CHILDREN'S HOMES REPORT

The variety of services provided by the Baptist Children's Homes of North Carolina have been increased greatly in recent years. Eastern North Carolina has shared in this expansion made possible by the generosity of our Baptist people and other friends of the dependent child.

Odum Home at Pembroke has been a vital part to our total ministry for many years. Groundbreaking ceremonies were observed there on September 30, 1976 for the construction of a cottage for children, a recreation building and a residence for the director. We are deeply indebted to a fine host of friends throughout Southeastern North Carolina who have responded to the

initial challenge by Mr. John Newton and Mrs. Harold Deal, business men in Hickory.

The Frontiersmen program at Kennedy Home for boys and girls to participate in Wilderness Group Therapy is meeting with significant success. The Duke Endowment has recognized the value of this special child care ministry to the extent of giving us $75,000 Grant over a period of three years to insure adequate support for this innovative effort.

Due to the fine spirit of cooperation on the part of the First Baptist Church of Henderson and member churches in the Cullom Baptist Association, an emergency shelter will be opened in Henderson during the month of October. This facility will provide emergency care for children while plans are being made for longer term placement or their referral to other helping agencies.

Foster homes have provided excellent care for many of our children since the beginning of this program in the 1930's. Presently Eastern North Carolina has seventeen foster homes licensed to care for twenty-seven children. This program should continue to grow in the years ahead. Our greatest need in this area is for foster parents who will open their hearts and homes to serve children with special needs.

The department of Child Development and Family Education is available to assist pastors and churches in planning and presenting wider services to strengthen, enrich and support Christian family life. Members of the staff are available upon call to provide assistance in planning for day care, family education and related interests.

We are deeply grateful at the Homes for every expression of interest and means of support provided by our people. Special gifts, income through the Cooperative Program and the Thanksgiving offering are vital to our existence. We thank you for every expression of your faith and confidence.

Respectfully submitted,
Charles Wellons

RELIGIOUS LITERATURE REPORT

We Baptists are blessed in so many ways, but especially are we blessed in the area of "Religious Literature".

We literally have thousands of different pieces of literature published by our convention as resource material to help us do any job we may have. Anyone of our agencies can supply upon request the information you will need. Our Sunday School Board is always available with literature of all discriptions.

A catalogue from the Baptist Book Store is a must for every church and is so arranged to give you a long list of available books and materials for any size church. Our Foreign Mission Board, Home Mission Board, and our State office in Raleigh has an abundance of Literature, and most of it free for the asking.

Then we must mention "Charity and Children" published by our Children's Home is always a blessing to our people, and a real source of information and inspiration is the "Biblical Recorder". We owe a big debt of gratitude to our State Paper for keeping us informed, and thinking together in the right direction.

Take a good look at all our available literature and use it in your church to the best advantage.

Mrs. Ralph W. Knight

BAPTIST HOSPITAL

"Christian stewardship" is a phrase frequently heard in staff meetings at Baptist Hospital. The hospital's leadership holds to a philosophy of administration based on stewardship and tries to pass this on to all employees. A continuing effort is made to help each employee, whatever his particular job, to realize that he is part of a team involved in a Christian ministry of healing. The difference this makes in the whole atmosphere of the hospital is evident to patients and visitors.

This sense of stewardship demands a continual updating and upgrading of medical procedures to assure patients the highest quality care. One of the most significant recent developments is the creation of a department of Family Medicine. This department provides primary health care of a limited number of families, that is, the kind of all-round, ongoing health care normally provided by a family physician. At the same time the department offers training in family medicine for physicians who will enter this field of practice. This will help to balance the trend of recent years toward increased specialization in the practice of medicine.

Many of the physicians training in family medicine are receiving part of their clinical experience in small towns and rural communities under the auspices of the Area Health Education Center (AHEC), created by the State legislature. It is believed and hoped that some of them will choose to remain in these areas for their permanent practice.

Improvement of physical facilities is another expression of the hospital's sense of stewardship. In recent months renovation of the west and south wings of the hospital has been completed; construction has been completed on an addition to the water-chilling facilities; construction has begun on a 4-level parking deck in front of Reynolds Tower which will provide approximately 800 parking spaces for visitors; and construction has begun on a new building to house the new department of Family Medicine.

The Pastoral Care Department continues to make its contributions toward the fulfillment of our stewardship. A chaplain is assigned to each area of the hospital and is responsible for providing a pastoral ministry to patients, staff and visitors in that area. There are capacity enrollments in all phases of the Clinical Pastoral Education programs. A third satellite has opened in Morganton during the past year.

Mother's Day gifts for the fiscal year ending June 30 were $405,946.52, compared to a total of $390,000 for the preceding fiscal year.

Respectfully submitted,
Don Phillips

HOMES FOR THE AGING

The people of the United States are called upon to contribute to throngs of worth causes and programs and they rise to meet the great challenges day by day and year by year and do it with joy.

The people of God have set before them, also, great and challenging causes. We preach the Gospel, we give to missions, we send the Gospel to others, we minister to the sick, we truly aid in education and many other Christian privileges and we do it with joy.

The members of our Baptist Churches here in North Carolina, truly believe God blesses His people and sets before them open doors of opportunity to be a blessing.

In March of 1951 the Baptists of North Carolina owned and operated only one home for the aging. Today, God has brought us from the one home to five homes and a nursing care unit so we can care for 230 residents and patients.

This past year has been a year of excitement, as we entered into the

"Fund-Raising Effort" of $1,000,000 to place a home for our aging in Asheville, North Carolina. When this home is completed it will add 50 more people and bring the number served to 280.

Close at hand is another open door of opportunity to God's people here in North Carolina. The building of apartments on the site of the Hayes Home property in Winston-Salem. The first of these units is to be completed by the fall of 1977.

The cooperative program of our Southern Baptist Convention gives to all of the members of our churches the great opportunity of "Workers together with God" in all of our ministries, services and missions. Also, we have the privilege of giving through the "Special Offering" for our Homes for the aging on the third Sunday of February each year.

Great things are in store for Christian people who love and serve God and do it with joy. Give freely for our Baptist Homes for our aging people here in North Carolina.

Respectfully submitted,
George L. Broome

ANNUITY BOARD REPORT

The Annuity Board of the SBC, 511 North Akard Bldg., Dallas, Texas, is the 58 year old agency our Convention churches have established to provide retirement and insurance protection for pastors and others engaged in full time church related vocations.

At the last report nearly 40,000 persons were making contributions which are held in trust to be converted into annual benefits when they retire or are incapacitated for further service. The amount now held in trust by the Board is $401,135,261.

The President of the Board says 1975 was "an excellent year of recovery, growth, and optimism" for the Agency. Income from the churches held in trust attained a one-year record of $23,149,064.

Benefits paid to retirees, widows and disabled in 1975 amounted to $15,734,003. During the Boards life of 58 years it has paid out more than $141 million in retirement and protection benefits.

Each year, around Christmastime another check, in addition to the one received around the first of each month is sent. This check is called the "13th check" because it is in addition to the guaranteed 12 checks, and its amount is equal to or greater than the regular check, the amount depending on the success of the Boards investment income. In 1975, 8,221 annuitants received the checks to help with the rising costs of living; the total amount of these "13th checks" came to $133,585.

The Annuity Board helps churches in the SBC and its agencies to get the best coverage of the most advantageous rates. In North Carolina there are 2,667 staff members of 2,140 churches and associations participating in the Annuity Program.

At the last report 39 of our Chowan Association churches were participating in the program of insurance for their pastors and other employees. We highly recommend that all our churches participate.

Respectfully submitted,
Charles W. Duling

HOME MISSIONS REPORT

In keeping with the denomination's 1977-79 theme, "Sharing Christ in Bold Mission in the Secular Society," the Home Mission Board gave major attention last year to planning a "Bold Mission Thrust" in the homeland.

Most of the state conventions are planning for major advances in reaching counties without an effective evangelistic witness, correlation of mission resources in key cities among groups such as ethnics, apartment dwellers and various sub-culture groups in our nation, and in transitional communities with churches in crises. There are more than 600 counties in the U.S. without a Southern Baptist Congregation.

There are two new evangelism programs started by the Home Mission Board. First Personal Evangelism to promote a life-style evangelism in the local church. Second, Mass Evangelism to reach a large number of people through the television.

Our Annie Armstrong Easter Offering for 1976 was very good. We also need a good offering this year so we may be able to reach more for Christ. We need to be very interested in our Home Missions and support them with our offering and our prayers. Let us join together in reaching others for Christ.

Respectfully submitted,
Jerry V. Beck

TEMPERANCE AND MORALS

In this Bicentennial year of 1976, the attention of the nation has been focused on Christian citizenship in particular and moral issues in general. Both are of continuing concern to Southern Baptists and to the Christian Life Commission. It is the responsibility of the people of God to strengthen and extend a Christian witness in a morally confused world where Christian morality is desperately needed.

Concern for Christian morality development is growing significantly among Southern Baptists. An increasing number of individuals, pastors, and churches are substantially expanding their commitment to applying the gospel and their involvement in a responsible penetration of the world and permeation of society with the whole gospel of Jesus Christ. Baptist commitment to a balanced and Biblical faith is deepening, concern for Christian morality development is growing, and commitment to be the salt of the earth and the light of the world is increasing.

Communication of the moral imperatives of the gospel has been undertaken by the Christian Life Commission and others of like mind and heart in the past year through a continuing output of sermons, articles, lessons, books, news releases, pictures, curriculum materials, pamphlet literature, and actions related to applied Christianity. Special attention has been given in local churches to applying the gospel as programs have been developed for Christian social action in the local church.

Four areas of Christian social concern have required the special attention of the Christian Life Commission. (1) Family life has been emphasized through conferences, sermons, pamphlets, specialized meetings for leaders, participation in national meetings where a Baptist witness for Christ has been borne, some major addresses, and guest editorials. (2) Race relations has been emphasized by distributing study materials and photographs related to Race Relations Sunday, by encouraging and assisting Baptists in the development of continuing dialogue, mission action, and ministries across racial lines, and by the continued distribution of educational materials and suggestions for action related to the Christian way in race relations. (3) Christian citizenship has been emphasized through the special promotion of Christian Citizenshop Sunday, the dissemination of three books on Christian citizenship, heavy involvement in helping Baptists responsibly celebrate the nations' Bicentennial observance, preparation and wide distribution of special materials related to Christian citizenship, and the development of a new consciousness and a new commitment

related to Christian citizenship. (4) Economics and daily work have received attention through articles written, literature distributed, messages delivered, special emphasis on Christians and daily work at Labor Day, and continued study and research to help Baptists apply Christian principles in and action on such important moral issues as immoral television programing, violence, obscenity, pornography, abuse of alcohol and other drugs, the ecological crisis, gambling, criminal justice, abortion, divorce, sexual morality, and hunger.

The Chowan Association W. M. U. convened for the 71st annual session April 13, 1976 at 10:00 A.M. at the Berea Baptist Church. Mrs. Frank Barnes, director, presided. The theme of the session was, "Let Christ's Freedom Ring".

The morning session opened with singing, "My Country 'Tis of Thee", led by Mr. Donald Downing, minister of music of the First Baptist Church, Elizabeth City.

Mrs. Walter A. Ward led the devotions expounding on our 1976 watch-word, "Where the Spirit of the Lord is, there is liberty".

Mrs. Ed Nixon, Baptist Young Woman from the Hertford Baptist Church brought special music, "I have a Friend", accompanied on the piano by Mrs. James Robertson, also a Hertford B. Y. W.

Mrs. W. P. Harris, Jr. of the host church gave the welcome and made the necessary announcements. The response was given by Mrs. Stanley Blanchard of the Bethel church voicing the appreciation of the entire group to the Berea church.

Mr. Billy Jackson gave the Camp Cale report stating that last year had been an excellent year in the number of professions of faith and rededications among the campers. He also stated that the staff for 1976 was partially selected and that other applications are being reviewed to complete the staff. He said that a good year is anticipated and announced that May 15 would be a work day and everybody is invited to help.

In the absence of Mrs. Ann Basnight, Mrs. Barnes stated that the health kits for the migrants should be delivered to the First Baptist Church in Elizabeth City by the end of May. Each kit is to contain wash cloth, soap, comb, toothpaste and toothbrush.

Mrs. Barnes recognized the pastors and former W. M. U. directors present and also those W. M. U. organizations that had received recognition for 1974-1975; these were:

Merit - Calvary, Hertford, Moyock
Advanced - Ballard's Bridge, Blackwell Memorial, Edenton, Reynoldson, Sandy Cross

Distinguished - Eureka (for 11 years)

Mrs. Larry Felton's topic was, "I'm a Baptist Young Woman and Proud of It." She stated that this organization had helped her to be a better Christian woman and that she had been able to use the negative responses of young women to help in her Christian growth.

"Word of God Across the Ages" was the offertory hymn.

Business

The reading of the minutes were dispensed with since these are published in the Chowan Association minutes.

On recommendation of the W. M. U. Council it was moved, seconded and passed that the collection today be donated to the Camp Cale Fund.

Immediately following the business session David McCall talked about the work of the young people of the Edenton church with Navajo Indians. Marian Dail showed slides and explained some of the work pictured on these. Mrs. Marguerite McCall gave some of the plans of the Edenton group for the coming summer and requested our prayers for this mission adventure.

A love offering was taken for this work which amounted to $214.60.

Mr. Charles Ledford of the Macedonia church gave the benediction for the morning session and asked God's blessing on the noonday meal.

The afternoon session opened at 1:30 P.M. with the hymn "God of Our Fathers". Mrs. Dan Sexton read scripture from Galations 5 and John 8 and led in prayer.

Special music, "America The Beautiful", was brought by Mrs. Billy Presley.

Mrs. Leroy Leppard expressed gratitude to the host church and all persons on the program for an inspiring day.

An invitation was extended by the Hertford church to have our annual meeting at that church April 12, 1977.

Mrs. Sherman Long, chairman of the nominating committee, submitted the following slate of officers who were duly elected.

Girls in Action Director ---------- Mrs. A. L. Godfrey, Jr., Hertford
Mission Friends ---------- Mrs. Kenneth Hooker, Elizabeth City
Secretary-Treasurer ---------- Miss Hulda Wood, Hertford

A prayer of dedication for the officers was offered by Mrs. T. O. Asbell.

Mrs. R. W. Humphries introduced our afternoon speaker, Mr. Jimmy Morris, Director of the A. J. Fletcher Baptist Communication Center of the Baptist State Convention of North Carolina whose topic was, "The Urgency of Communicating the Gospel Through Mass Media".

Mr. Morris talked about the urgency of getting the Christian message to the entire world beginning at home. He stated that we are living in a revolutionary age and that atheistic forces are battling Christianity and that Christianity is decreasing and atheism, including communism, is growing.

He challenged Christians to take to the air waves (radio and television) to tell the gospel in simple language: this should be not only a Sunday but weekday ministry. He challenged the women of the Chowan Association to get behind a "Mass Media" ministry in our own locally saying that women have been on the "cutting edge" of every advance in the church.

Our closing hymn was, "The Battle Hymn of the Republic", and Mrs. Barnes led the benedictory prayer.

Attendance was 239 and the offering totaled $163.64.

of the
ANNUAL SESSION
October 18-19, 1977
Tuesday afternoon session
Larry McClure, Presiding

Members began arriving early at the Warwick Baptist Church, for one-hundred and seventy-second annual session of the Chowan Baptist Association. Programs were available, as well as registration cards, as the messengers arrived.

1. The One Hundred and Seventy-Second Session of the Chowan Baptist Association of North Carolina was called to order at 4:00 pm., October 18, 1977, by the Moderator, Larry McClure, at Warwick Baptist Church where this session was being held.

2. Jack Evans, Music Minister from Rocky Hock, led the congregation in singing "Onward Christian Soldier."

3. The devotional period was led by Mrs. Don Phillips, wife of the pastor at Warwick.

4. Don Phillips, pastor of the host church, extended a greeting, and warm words of welcome.

5. Enrollment of the messengers was conducted by the clerk, J. H. Davenport, whose motion to seat those messengers enrolled, and that they constitute this session of the Association. Motion carried.

6. Dick Brewer, chairman of the Committee on Order of Business moved that the published program, with changes, be adopted as the Association's 1977 Annual Program. Motion was seconded and carried.

7. The Moderator then introduced new pastors and staff workers to the Messengers and visitors.

TUESDAY EVENING SESSION

1. The Moderator called the evening session to order at 7:00 pm.

2. We were led in the singing of the hymn, "Revive Us Again."

3. Ronald Farrar led in the devotion.

4. Ray Hodge came and led us for the second time in our Bible Study, which was already proving to be fruitful and inspirational.

5. Reports were then called for. The first order of business was the introduction of one of our trustees, Mr. B. F. Bateman, who made a motion to allow the property at Kitty Hawk Church to be mortgaged, in order that the church may build. After a brief discussion the motion was voted on, and carried.

6. A report was given by Bob Robbins on the Ordination Committee.

ORDINATION COMMITTEE REPORT

Because of a concern expressed by many in our association about the ordination of ministers, the Executive Committee asked the moderator to form this committee. The committee is made up of Bob Robbins, chairman, Brightie White, Ron Farrar, George Cooke, W. C. Harrell, Swindell Lowery, and Jim Davenport.

This was a busy first year for the committee. We had four men ordained. They were:

1. Bob Jordon, pastor of Oak Grove Baptist Church
2. William Byrum, pastor of Whiteville Grove
3. David Cooke, Minister of Music & Youth First Baptist of Wallace.
4. Billy Old, Chappel Hills Baptist Church

We are very grateful to all the churches involved for their fine co-operation with this committee. It is only through your efforts that this committee can function and held the men of our association.

Respectfully submitted,
Bob Robbins, Chairman

7. Bob Gray gave a fine report on the Annuity Board and its work and contribution it makes to the life of our churches and pastors.
8. Earl Hartley then gave the Sunday School Report.

SUNDAY SCHOOL REPORT

My first year as your associational Sunday School director has been a rewarding experience. It has made me more conscientious of the importance of our Sunday School work. It has also given me an opportunity to learn more about the organizational planning of Sunday School.

As your director I attended a Sunday School Planning Conference held in Raleigh. I also attended the Associational Sunday School Directors' Clinic which was held in Williamston. Both of these stressed the importance of the proper literature and planning.

In addition to these, the State Sunday School Department conducted regional workshops across the state this spring. The workshop for this region was held at Corinth with an excellent attendance representing several associations.

Our Associational Vacation Bible School Clinic was a very successful one. It was held again this year at the Hertford Baptist Church. Five of our departmental leaders were from the North Roanoke Association. These leaders, along with two from our association helped make this a very beneficial clinic. It was well attended with 33 different churches represented.

A number of our churches also participated in the January Bible Study.

The over-all interest in Sunday School and Bible Study continues to increase. Please keep up the good work.

Respectfully submitted,
Earl Hartley
Associational S. S. Dir.

9. Herbert Hemingway gave the Church Training Report.

CHURCH TRAINING REPORT

What an exciting time to be a part of Church Training Work. Discipleship developed is a growing concern for church leaders everywhere, and Church Training has always been concerned with the discipleship development. New Day for Training 1978 is planned for the purpose of helping 1,198 churches start a Church Training program on or before April 2, 1978. The goal of 1,198 represents one new program in each of the 1,198 associations in the Southern Baptist Convention.

Approximately 35,880 persons will be reached for training, not to mention the increase in the Sunday Night Services. The values of Church Training are too numerous to mention.

Pastors, Teachers, Churches, you do need help. Don't overlook one of the best, which is Church Training.

1—Church Training aids spiritual growth by helping to develop a deeper Doctrinal Conviction.
2—Church Training strengthens Christian Values and helps members live their faith.
3—Church Training strengthens the Evening Worship Service.
4—Church Training prepares youth for leadership.
5—Church Training prepares youth as well as helpd new Christians to grow in Christ so that they can win others.

We have 15 Church Training Programs in our 58 churches, and 2 missions.
We have 30 churches who have Sunday Night Services.

Respectfully submitted,
Herbert Hemingway,
Church Training Director

10. The Brotherhood Report was then given.

BROTHERHOOD REPORT

I want to thank each person that helped to promote and carry out the Bold Missions Offering which was started at a State Missions Banquet on May 14, 1977 in Greensboro, N. C. and culminated on September 18, 1977. Through the efforts of the Chowan Associational WMU and help from the Baptist Men, we attained about 75% of our $20,000.00 goal. The state goal was $1,385,000.00 and as of this report it is not known how much was actually received.

Although this Bold Missions Offering was planned to eliminate a large portion of our N. C. State Convention debt, it also offered our lay people a great opportunity to become "INVOLVED", and better understand the work of State Missions.

Thanks again.

This past year, I visited and talked with several churches concerning the establishing of Baptist Men & Royal Ambassador Units. This is very encouraging and a trend I hope we can continue. Of the 57 churches in our Association, we have about 25 Brotherhood or Baptist Men Units, which includes the Royal Ambassadors. Let's try to increase that number by the end of our next church year.

Once again, the West Chowan and Chowan Associations met for a Region I workshop which covered the different phases of Baptist Men and Royal Ambassadors work. This meeting was held at the Edenton Baptist Church on September 15, 1977.

R. A. REPORT

Many people still believe that joining a church and reciting its ritual is the door to the Kingdom of God and eternal life. This is a false assumption. The true church is a union of believers, united in love and concern for each other. They are bearers of light for the unsaved to the door which is Christ. Baptist Men can strengthen this union or Believers if only they would give of their time and talents.

Respectfully submitted,
Rev. Bob Robbins—RA Director
Mrs. Mike Aydlett—Brotherhood Director

11. The WMU report was given by Mrs. Geraldine Humphries.

WOMAN'S MISSIONARY UNION REPORT

The highlight of our WMU year was our Annual Meeting at the Hertford Baptist Church in April. Dr. Neal Peyton, Missionary to the deaf in North Carolina, and Miss Suthell Walker, State Baptist Women's Director of Raleigh were the guest speakers. Over 200 attended from 31 churches.

The Prayer Retreat at Camp Cale in August was attended by 65 members; Rev. Stanley Nixon, pastor of Bethel Church conducted the Bible Study. We were inspired by testimonies, music and periods of silent prayer.

The Acteens held two gatherings in the past year; in November at Sandy Cross a supper meeting given by the host church when six churches taught members the handbook; 150 attended. In March a talent content at Shiloh Church had 85 in attendance. The Girls in Action Fall Rally in October at Rocky Hock was also a supper meeting given by the host church with Mrs. McCall from the Edenton Church showing slides and reporting on their mission work among the Navajos last summer. The Spring Rally at Woodville Church in April brought Mrs. Laura Cave, Musical Missionary to Argentina for ten years to share some of her experiences.

The Day Camps at Camp Cale for Acteens and Girls in Action afforded opportunity for missions, crafts and Christian fellowship and were well attended.

There has been an increased awareness of our denominational emphasis "Let the Church Reach Out", the 1977-79 denominational emphasis, is characterized by the same necessity for boldness required by the early disciples: be witnesses everywhere. (Acts 1:8).

Respectfully submitted,
Mrs. Geraldine Humphries, WMU Dir.

12. Billy Jackson was recognized to give the Camp Cale report.

Camp Cale has it's share of good weather for camping this past summer. Resident camping was a few over the previous summer with (135) attending. Approximately (250) attended day camps and some (850) used the camp for picnics and retreats from April through October. Many groups applied too late and did not have a chance to use the camp. We need someone to live on the camp site who could program it for two or more groups at the same time.

Over the years we have had some fine hard working people on our camp committees, who have made their plans to include camp meeting dates, and some have not. Therefore, we only had their names as a committee member. A need existed for these committees to be formed and a specified number of people for each committee. Yet, less than half of the members attended the two meetings per year. The few faithful members feel that our young people deserve more concern for their welfare. We are disappointed when a member ignores this important task for Christ. We need the help of every member elected to these camp committees.

We have learned quite a bit about camping and people. For several reasons we have had six fine young people on our counseling staff. Each season is evaluated and each segment of the program studies. This study is guiding the camp council to make some changes in the staff. Next summer we plan to have four young people, ages nineteen or older. Hopefully a seminary student couple and a college couple, or singles, will be the counseling staff. One of the four will be the director. One will be the lifeguard. Between the four, all the positions will be carried out in a better manner. We already have three excellent prospects, and one of them will have a Master's Degree in Religious Education.

We plan to have a full staff hired by March 1, 1978. If not, a meeting will be called to decide whether or not there will be resident camping next summer. This is not to sound so drastic—just a wise decision. The staff committee has not had a chance to function in the past two seasons because the staff was not complete until just before camp was to start. We hope you will try to understand our concern for the young people—the campers.

The Camp Cale schedule of activities will be sent to all churches as soon as possible for 1978. Brochures may not be printed until March and mailed in April. If there will be no resident camping the brochures will not be printed. We will follow the schedule of activities for the work days only. This is to inform you of our back-up plans of which we hope will not materialize. We hope you will become as excited about next summer as we are.

The Camp Cale special building is increasing every day, which is going on to $17,000. The price of materials are increasing also. We were talking about $30,000 for the first phase of the lodge building. Now we have to talk about $35,000 to $40,000 to get started. After we have the first phase then we can add a little about every two years as needs develop. Maybe you know of someone who would donate $5,000 or $10,000 or maybe $25,000 that would help them at income tax time, and would be helping us even more. Just five people giving $5,000 each, and right away we could get started with the most important phase of our camping program. Someone may be waiting for you to approach them.

The sailboat has been sold. This money will be used to purchase canoes which will be of much greater use to the camp than a sailboat. The last two summers we had the sailboat, it

was not used at all for the campers or anyone else because the sailor lost the rudder in the middle of the river. It took several months to get another rudder. Campers like participation, and a canoe is just the thing to keep him or her busy.

Respectfully submitted,
Billy Jackson,
Camp Council Chairman

EVANGELISM REPORT

"Bold in Creative Witness" was the theme of the 31st Statewide Evangelism Conference at the War Memorial Auditorium, Greensboro, during February 7-9, 1977. About 2,400 pastors and lay persons were present to hear the challenging messages fo the evangelistic speakers.

Over 500 youth and adults came to the North Carolina Baptist Assembly for the Youth Ministry Week—June 13-17, and many different types of decisions for Christ were made public by youth. The emphasis was on youth evangelism, vocational guidance, and recreation.

Thirty-six churches across the state are having one week youth revivals and youth witness training under the direction of four Summer Youth Evangelism Teams. Let us rejoice in all the decisions for Christ made by youth.

Excellent reports have been received on Lay Renewal Weekends and Ministry Evangelism Weekends in various churches. The Division of Evangelism cooperates with the Brotherhood Department in this phase of the work.

Associations and churches are now involved in the Youth Evangelism Strategy which included these four areas: Leadership Family; Touch Ministry; Discipleship Groups; and Joy Explosion. W. O. W.—Win Our World—has to do with specific witness training for youth in the local churches.

Sixty-five associations have participated in one week Lay Evangelism Schools in recent years with over 14,400 youth and adults receiving lay witness training from 1,175 churches. More lay persons need to become involved in consistent witnessing to unsaved individuals.

The 32nd Statewide Evangelism Conference will be held at War Memorial Auditorium, Greensboro, on February 6-7, 1978.

Respectfully submitted,
George H. Cooke

EXECUTIVE COMMITTEE REPORT

This has been a good year for our Association. The Executive Committee met in December, June and September, the March Meeting failed to be a meeting of record due to the lack of a quorum.

The primary work of the December meeting was the appointment of Committees that have functioned splendidly for the Association. Of special importance the the excellent work done by the Associational Missions Advisory Committee. Because of their untiring efforts, a new ministry has been established—namely a new mission at Hatteras.

At the June Executive Committee meeting, George Broome, reporting for the Missions Advisory Committee, assured the association that there would be a vital Migrant Missions work during the summer season.

The association was also encouraged to reach its goal of $20,000 for State Missions. It is good to report that we have given approximately $15,000 of that goal.

Again, the September Executive Committee meeting was highlighted by a wonderful spirit and committee reports, several of which the association will act upon during this annual session.

I would like to express my appreciation for the fine work and cooperation of the many committees, our pastors, the Executive Committee and Mrs. Glenn Lane. Our Lord has been very gracious with His blessings. Let us be faithful servants of His in every task.

Respectfully submitted,
Larry McClure, Moderator

10. Earl G. Harrell, Associational Treasurer presented the financial report. He moved its adoption. It was seconded and motion carried.

ANNUAL AUDIT REPORT

This is to certify that I have audited the books of the Association, as kept by Earl G. Harrell, Treasurer, and find them in good order. I do also certify that the foregoing report represents the business of the Association for the year ending September 30, 1977 and that it is correct as stated.

Respectfully submitted,
John M. Elliott, Auditor

Dated: Oct. 15, 1977

12. Ronald Farrar presented the Mission Advisory Report. This was voted on and motion carried.

MISSION ADVISORY REPORT

The area of concern for your Mission Advisory Committee during the fiscal year 1976-77 fel into six categories of responsibility and opportunity. (1) Support of the Great Love Baptis Church, (2) Support of the new mission at Cape Hatteras, (3) Migrant missions, (4) The Circus Tent, Inc., and the Showboat Puppet ministry, (5) Feasibility of employing an Associationa Director of Missions, and (6) Possibility of securing an area missionary for the Chowan Associ ation and portions of the West Chowan and South Roanoke Associations.

(1) The Great Love Baptist Church under the direction of its pastor, Rev. Ray Steward and it mother church, Geneva Baptist Church is growing. It has progressed to the point where the are now in the process of applying for State Convention funds to build their first unit. The have applied for $10,000 loan and a grant in the amount of $2,600. The church has met with the state architecture department and the Missions Advisory Committee to try and come up with a workable plan so that the building can begin as soon as possible. This is needed in a area where we are the only Southern Baptist work witnessing to over 3500 people.

(2) During this past year a new mission was started at Cape Hatteras under the leadership o the Manteo Baptist Church. This has likewise progressed to the point of buying land and thi was accomplished with a gift of $1,000 from the Chowan Association and a grant of $2,00 from the State Convention. Under the leadership of Rev. Joe Watterson, the mission is suc cessfully ministering to the local people and also to the vacation crowds during the summe During the past year this Association has given support in the form of money to help defra expenses of this mission.

(3) The Migrant Ministry program this past summer was under the able direction of Re Richard W. Lloyd. We were aided and literally trained in migrant missions by Rev. Theodo

Myrick, a man who was able to take time off from the migrant rehabilitation center at Rich Square, North Carolina to help us on a part-time basis. From all reports received, a great job was done in this needed area. There were souls saved and lives touched with the love of Jesus Christ, and both pastors and migrants grew together in this love.

(4) The Circus Tent, Inc., and the Showboat Puppet Ministry continues to be one of the real exciting mission enterprises of our local association. Our budget provides again this year $500 for this ministry and the State Convention adds an additional $750. This ministry reached over 75,000 persons this past year as they worked without a tent with ice cream parlor, its book store, and the puppet ministry in special programs in churches, motels, schools, camp grounds and nursing homes over a five-state area. Plans are being drawn now for a completely new Circus Tent, one that will be permanent and able to be used on a year-round basis. All of you will be hearing more about this new building in the near future as we will be asking you to be a part of this great mission endeavor.

(5) The Missions Advisory Committee in their report to the Executive Council on September 6, 1977 asked that the study of hiring an Associational Director of Missions be dropped until there is enough response from the churches to be able to know the true feelings of the Association concerning this matter. This study has been discussed for over two years and it is felt that words and discussion are not enough to base a logical recommendation on; therefore, we request this action due to a lack of statistical data.

(6) During the past year the possibility of securing an area Missionary for the Chowan Association, and portions of the West Chowan and South Roanoke Associations has progressed to the point of its approval by the Executive Council of the State Convention and funding will be requested at the State Convention to be held in Charlotte next month. This will provide our area of the State with a person who will have duties in the following areas:

a. Work at the task of overall church development.
b. Promote Seminary Extension work.
c. Represent the denomination to the churches of the area.
d. Give general promotion to our overall mission work and Cooperative Program giving.
e. Promote and organize Resort Mission Ministry.

This has been a fruitful year in the area of missions in our Association, and I love the adoption of this report.

Respectfully submitted,
Ronald E. Farrar, Chairman
Mission Advisory Committee

STANDING COMMITTEES REPORT

STATE MISSIONS

Since 1830 North Carolina Baptists have been evangelizing, educating, establishing and nurturing churches through State Missions. Since the organization of our Convention many new avenues of approach to our mission task have been opened. But the Convention remains true to the original purpose our forefathers had in mind in establishing the Convention as a channel of ministry for the churches.

State Missions is in the business of helping establish church type missions where needed. State Missions offers pastoral and lot aid until the mission can become a self-supporting church. State Missions encourages a steady associational program of evangelism, missions, and church training. The state Convention now supplements the budget of fifty-six associations. In some way State Missions joins in a cooperative ministry in all eighty of our associations.

State Missions has moved to new dimensions of service in recent years. Christian Social Ministries is a vital part of service in our larger associations. State Missions has coordinated personnel and finances with churches and associations to minister to several million people who visit our resort areas each summer. Now, we find a wide open door to minister to ethnic people who now live among us. In some way State Missions is ministering to Indians, Japanese, Koreans, Spanish and Vietnamese people.

The 1977 statewide State Missions Offering goal is $1,385,000. This is almost five times the size of the previous State Missions Offering goals. $185,000 of the offering will be used for the ongoing state missions ministries carried on through the years. Hopefully, this will be enough to enlarge upon these ministries. $1.2 million of this year's State Missions offering is going to be used to pay the Convention indebtedness accumulated on the Caraway Conference Center, N. C. Baptist Assembly church group apartments, Baptist Building extension, and Fruitland auditorium. The erasing or reduction of that debt would greatly save both on the extensive payments of capital and interest; and in so doing, it will make the state missions funds available for missions causes.

A larger goal than the offering goal for the 1977 State Missions campaign is reflected in the theme, OPENING THE DOOR TO BOLD MISSIONS, I Corinthians 16:9. As the theme suggests, the larger State Missions Offering will make possible, both this year and in the years ahead, a more extensive state missions witness.

In the days ahead, it is our hope that the State Missions Offering can become a base support offering for lay involvement in missions both in our associations, state, and around the world.

REPORT ON TEMPERANCE AND MORALS FOR THE MINUTES OF THE 1977 CHOWAN BAPTIST ASSOCIATION

Senator Beverly Lake, Jr. says "North Carolina is the pornography capital of the south."

Wake County District Attorney Burley Mitchell, also chairman of the North Carolina Crime Commission, says, "Pornography in North Carolina has been shown to be an operation of organized crime in New York of Sicilian surname group, whether of the Mafia-type organizations or not."

Both Senator Lake and Mitchell acknowledge that groundwork is being built to test the anti-pornography laws passed by the 1977 session of the General Assembly. However, action is moving ahead slowly and quietly gathering specific information on certain pornography outlets which will be targeted for prosecution under the law.

Many of the newly elected legislators have committed themselves to oppose more liberal laws in relation to the sale of alcoholic beverages, and no such legislation was passed during the 1977 session.

Senate Bill No. 735 was introduced in May. This bill would have given a vote to any county, city or town, which had an ABC store to determine if liquor-by-the-drink sales would be authorized. This would have given North Carolina one of the most liberal systems in the country. This bill passed the Senate by a 24 to 23 vote, however the proponents of the bill realized it was headed for defeat in the House by as many as 15 votes and sent the bill back to the ABC committee where it will await next years session of the general assembly.

The Christian Action League has engaged in a two pronged attack on these issues, pornography and liquor-by-the drink, during the past year. Our cooperation together with that of the churches and other Christian organizations throughout the State defeated the State-wide referendum in 1973. It is anticipated that this same spirit of enthusiastic support and cooperation will defeat Senate Bill 735 and curb pornography in 1978.

BAPTIST CHILDREN'S HOMES

Over the years the report of our Baptist Children's Homes has been just that: a report. It has contained information concerning the different institutions of child care, their programs, progress and priorities. Those who receive the weekly publication of CHARITY AND

CHILDREN are kept constantly aware of such information which serves as a weekly report of our efforts as Baptists in the field of caring for and cultivating the children who inhabit our institutions. This year's report is not a report in the usual sense—but a plea for personal identification. Our people need to be able to identify themselves with the work of our child care ministry; we need first hand contact with the children whom we serve. We need to feel that we are not financially supporting the work which we have entrusted to capable staff members—but that we are personally and individually involved.

Our churches are urged to visit our child care centers, to meet the workers and the children, to have representatives of the Homes in our churches. Such a personal relationship with such a worthy and noble work will result in a closer and more meaningful support.

FOREIGN MISSION REPORT

The meeting of The SBC in Norfolk, Virginia in 1976 will be long remembered. At that time the missions challenge committee and the two mission boards set before Southern Baptists plans for the remainder of the century. The plans were called "Total Missions Thrust".

At the beginning of 1977, Southern Baptists were represented overseas by 2,715 missionaries assigned to 84 countries and territories. This figure included 218 missionary associates, 172 journeymen, and 4 special project medical workers.

The Foreign Mission Board assisted through various programs in arrangements for approximately 1,400 persons to participate in volunteer involvement projects overseas in 1976.

The Lottie Moon Christmas Offering exceeded the $26 million mark for the first time. A total of $26,145,220 was received.

"REACH OUT . . .Toward A. D. 2000" objectives:

1. Missionary Staff of more than 5,000, which will call for 9,000 new missionaries to be sent out in the next 25 years.
2. Volunteer lay involvement up to 10,000 per year.
3. Missionaries at work in at least 125 countries as God may lead.
4. Establishing and strengthening churches accelerated.
5. Penetrate and saturate major cities with the gospel.
6. Maximum effort to evangelize youth.
7. Adequate ministerial and lay training.
8. Increased use of mass media.
9. Accentuated attention to human need through health care, disease prevention, and benevolent and social ministries.
10. Appropriate and prompt responses to world hunger and disasters.

The primary objective—Telling the World about Jesus by A. D. 2000—presents the awesome challenge, and calls for total support by Southern Baptists.

RELIGIOUS LITERATURE REPORT

Literature throughout the ages has been an indespensible resource for mankind. We are indeed fortunate to have available to us Christian Literature that can aid us as we seek to carry out the Lord's work in our world today. If it were not for this resource, we would certainly be limited.

Our Southern Baptist Convention is constantly publishing pieces of literature that help us teach each of our age groups in Bible study and mission study. New training helps have been provided for churches to better equip and strengthen their teachers. Our convention is now also providing materials for aiding our churches to minister more effectively with older persons. The Baptist Book Store catalogue gives a description of available books and materials from which any size church can choose. Our Home Mission Board, Foreign Mission Board, and our state office provides us with an abundance of helpful materials.

Communication within our denomination is vital if we are to be an effective agent within our state, nation, and world. Our states BIBLICAL RECORDER has as its purpose to keep Bap-

tist church members informed concerning involvement in their denomination, and in the world. When people are uninformed, poorly informed, or misinformed, trouble is sure to follow. Our state paper helps us think together and then work together.

Good literature is at our fingertips—but, we must use it if we are to let it help us.

REPORT ON CHRISTIAN EDUCATION

Baptists of North Carolina are deeply involved in the ministry of Christian Higher Education through the support of six colleges and one university: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wingate and Wake Forest University. During the 1976-77 academic year, 13,733 persons were enrolled in the seven schools. The number graduating in May, 1977 was 2,493.

One strong emphasis of Baptist colleges is the preparation of pastors, missionaries and other church vocation volunteers. In the fall of 1976, there were 846 persons preparing for church-related vocations at North Carolina Baptist colleges. During 1977, the pastors have given the names of more than 6,000 prospective students to the colleges through the Council on Christian Higher Education. These students have received information from the colleges and from the Council office.

An offering is received on Father's Day each year to provide aid for North Carolina Baptist young people. Students who need to apply for financial aid should make application to college early in the junior year of high school. Grants, loans and work scholarships are available for those who need them.

North Carolina Baptist colleges continue to be grateful for generous financial support through the Cooperative Program. The colleges reaffirm their support and partnership in missions with the churches, and offer the services of faculty, students and other campus resources to make the Bold Mission emphasis of Southern Baptists a vital and successful ministry.

BAPTIST HOSPITAL
REPORT TO THE ASSOCIATIONS
1977

The beautiful stained glass window in the front of Davis Chapel at Baptist Hospital has three large panels, each depicting an aspect of Christ's ministry: healing, teaching, and preaching. The window serves as a reminder to the staff that Baptist Hospital has also been commissioned to this three-fold task.

The hospital's primary task, obviously, is healing and it attempts to obtain and use the best personnel and equipment available for the healing task. The medical staff consists of competent, dedicated men and women in all the various specialties of medicine. Persons with rare and complicated medical problems are referred to Baptist Hospital by their family physicians for treatment. Last year 158,863 visits were made in the hospital's Outpatient Department and the Bowman Gray Department of Clinics. There were 22,365 admissions to the hospital for a total of 193,942 patient days. These patients came from 90 counties in North Carolina, from 29 other states and from 3 foreign countries.

Baptist Hospital is also involved in teaching. In cooperation with the Bowman Gray School of Medicine of Wake Forest University, it helped to train 1,188 students last year for careers in medicine and allied health fields. In addition, there were 87 graduate students in the basic sciences. The hospital also provided clinical facilities for 483 student nurses from 3 nearby schools of nursing and for 120 students in other allied schools.

The School of Pastoral Care last year enrolled a total of 75 students in various levels of Clinical Pastoral Education.

The hospital also has a preaching ministry. There is preaching in the formal sense at least four times a week in the worship services held in Davis Chapel. In a less formal sense, the Christian Gospel is proclaimed daily by staff, students, patients and others who witness to their faith in word and deed.

In all of these ministires, Baptist Hospital is mindful of its Christian heritage and its strong tie with the Baptist State Convention. This tie is maintained and strengthened through the services of capable, dedicated trustees who are elected by and are responsible to the Convention. The tie is also strengthened through the financial support from the churches; last year $294,324 was received through the Cooperative Program and $405,947 through the Mother's Day Offering.

Several members of the hospital staff have assumed active roles in denominational life at the association level and the state convention level, as well as in their local churches. For the past five years hospital personnel have assisted in Cooperative Program promotion in at least two associations each year. Staff members are pleased to do everything possible to strengthen the denominational tie, believing that this tie adds a dimension to the ministry of healing, teaching and preaching.

Mother's Day gifts for the fiscal year ending June 30, 1977, were $411,225.56 compared to a total of $405,946.52 for the preceding fiscal year.

Hospital Representative

HOMES FOR THE AGING

The past year in our North Carolina Baptist Homes for the Aging has been one of the fullest and most exciting in the twenty six years that the Homes have been ministering.

Of keenest interest was the ground breaking service for the New Western North Carolina Homes, on the Pearson Estate on Richmond Hill in Northwestern Ashville, last October, when more than a thousand people from our churches, and trustees and staff members were present. It was a thrilling scene when construction of our sixth home for the aging began, which will initially accommodate fifty people.

Another exciting venture is the construction of four duplex apartments at the site of the Hayes Home in Winston-Salem. These apartments will care for sixteen additional persons and will be ready for occupancy in the fall of 1977. This will mean homes for another sixty six of our people here in our state in the next two years.

The gifts from our Baptist people through our Cooperative Program and the special offering taken on the third Sunday in February supplies thirty five percent of the total budget of our homes and supplements the care of the residents who cannot pay their full cost of care. We have an ever increasing number of elderly people in our state, however, the future of our Baptist Homes for the Aging are as bright as the promises of God for it presents to all of our Baptist people in North Carolina the opportunity to share in a great cause and to express true love which Christ places in the heart.

RESOLUTIONS COMMITTEE REPORT

Whereas, during the 1977 annual meeting of the Chowan Baptist Association there were no resolutions to be solved by the Resolutions Committee and resolved upon this august body; and, whereas the Resolutions Committee, sensing the cooperative heartbeat of the Chowan Baptist Association, feels a resolution is in order, therefore the Resolutions Committee does hereby resolve that the Chowan Baptist Association be thankful:

One, to the Lord for the marvelous blessings of grace He has showered upon the Chowan Baptist Association.

Second, to the messengers for their special interest and concern in matters relating to the Chowan Association.

Third, to the Warwick and Woodville Baptist churches for the delicious food and gracious hospitality.

Fourth, to Rev. Larry McClure, Moderator, for his display of love and concern for the Association as he presided over the annual meeting.

Fifth, to all the officers, leaders and committees of the Association for their faithful and dilligent work in behalf of the Chowan Association.

Seventh, to all who enriched our sessions through music.

Eighth, to Rev. Ray Hodge for the meaningful Bible study periods during each session.

Ninth, to Dr. Cecil Ray, Coy Privette, and Marse Grant for their commendable representation of the Baptist State Convention of North Carolina.

Tenth, to each person on the program for his or her special effort.

Eleventh, to the Committee on Order of Business for a well planned and meaningful program.

MINUTES OF THE APRIL 12, 1977 W. M. U. MEETING

The Chowan Association WMU convened for the 72nd annual session April 12, 1977 at 10:00 a. m. at the Hertford Baptist Church. Mrs. R. W. Humphries, director, presided. The theme for the session was, "Stand Up, Stand Up For Jesus".

The morning session was opened by singing the hymn, "Stand Up, Stand Up For Jesus", led by Mrs. Billy Presley of the Reynoldson Church.

The devotional meditations were given by Mrs. Carlton Harrell; her topic, "Stand Up For Jesus and Serve Him With Gladness".

The Baptist Young Women from the host church brought special music, "Morning Has Broken", accompanied on the piano by Mrs. Charles Johnson.

The welcome and necessary announcements were given by Mrs. Carroll Williams of the Hertford Church.

The response was given by Mrs. Patsy Hobbs who thanked the host church for the entire association.

Mr. Billy Jackson brought Camp Cale news. He reported that (1) a good bit of damage was done by ice during the winter (2) the selection of the summer staff is not complete (3) May 14 will be a general clean-up day. Mr. Jackson left a schedule of Camp Cale activities for distribution.

Reverend Ron Farrar reported on the migrant mission program. He stated that from 650-700 persons are expected in the area for a 6-8 week period during the summer. There will be a workshop held in the Edenton Church April 19 at 7:30 p. m. The WMU organization from each church is asked to provide health kits again this year.

Mr. Farrar asked for our prayers for the workers and for the migrants and reminded us that they, as we, are God's children.

Mrs. Humphries recognized past directors and special guests.

WMU organizations receiving special recognition for 1975-76 work were:

Merit: Blackwell Memorial, Hertford and Shiloh

Advanced: Ballard's Bridge, Calvary, Reynoldson and Sandy Cross

Distinguished: Eureka (for the 12th year)

The Offeratory hymn was, "From Ocean to Ocean"

Business

The reading of the minutes were dispensed with since these are published in the Chowan Association minutes.

Upon recommendation of the WMU Council and the approval of the assembly, todays collection is to be donated to the Camp Cale Fund.

The WMU Council made a recommendation that the annual WMU meetings be held in rotation at churches with adequate facilities. This rotation is to be worked out by the Council during 1977-78 and brought to the 1978 annual meeting for final approval. The recommendation carried.

Following the business session Mrs. Sam Daniel introduced the morning speaker, Dr. Neal Peyton, missionary to the deaf in North Carolina. Dr. Peyton brought a most inspiring message; he stated that while blindness is a physical handicap, deafness is a psychological one as the deaf person is unable to communicate.

There are 10,000 deaf persons in North Carolina and 250,000 persons with impaired hearing. Fifty-six churches in North Carolina have a ministry for the deaf. The only church in our association to have this ministry is the Edenton Baptist Church.

He spoke of several phases of the work, e. g. youth retreats and work at the N. C. School at Morganton. Dr. Peyton stated that it is hoped that Gardner-Webb College will begin courses for the deaf on a college level and that work toward this end is being done. The only school in the United States that deaf students can attend college in a Christian setting is in Dallas, Texas.

Mr. Ron Farrar gave the benediction and asked God's blessing on the noonday meal.

The afternoon session was opened by singing, "O, God we Pray for all Mankind".

Meditations were brought by Mrs. Grace Crawford using scripture from Ephesians 5 and Matthew 5. She compared the Christian life to salt and to light and challenged Christian women to permeate society and to let their light shine.

Mrs. Horace Overman expressed gratitude to the host church and to those on the program but most especially to God for the day.

Mrs. Cameron Boyce invited the association to meet at the Center Hill Church in 1978 with Great Hope Church as co-host.

The nomination committee presented the following slate of officers, who were duly elected:

Director. . . . . Mrs. R. W. Humphries
Assistant Director. . . . . Mrs. Aydlett Morris
Baptist Women Director. . . . . Mrs. Ellie W. Vickers
Baptist Young Women Director. . . . . Mrs. Larry Felton
Acteens. . . . . Mrs. Janet Hurdle
Girls in Action. . . . . (Not filled)
Mission Friends. . . . . Mrs. Bena Hobbs
Secretary-Treasurer. . . . . Mrs. Hulda Wood

A prayer of dedication for these officers was made by Mrs. Frank Barnes.

The Baptist Young Women of the Hertford Church sang another selection, "The Saviour is Waiting", accompanied on the piano by Mrs. James Robertson.

Mrs. R. W. Humphries introduced the afternoon speaker, Miss Suthell Walker, Baptist Women Director of the Baptist State Convention.

Miss Walker talked about the need for Bold Mission Thrust in North Carolina and about the need to increase the State Mission Offering goal by $1,000,000 this year to pay off indebtedness and to expand the mission program. She also challenged churches, womens groups and individual women to go out into the community to "strengthen and lengthen" the ministry of the church.

Our closing hymn was, "Send the Light", and Miss Mildred Byrum led the benedictory prayer.

Attendance was 202 and the offering totaled $128.90.

REPORT OF THE CHURCH PASTOR RELATIONS COMMITTEE

In order to help both laymen and ministers better understand their relationship as workers together with God in the church, the Pastor Church Relations Committee of the Chowan Baptist Association has released eleven publications this year.

Three of them are booklets entitled "Understanding Your Pastor", "How to Call a Pastor", and "Conflict in the Church".

Three more are pamplets entitled "You and Your Pastor", "The Church as an Employer", and "The Making of a Minister".

The three folders are distributed as a packet to help pulpit committees with their work. They are entitled "How to Use the Information Folders for Churches and Ministers", "Some Information About a Church for a Minister and a Church Seeking to Understand Each Other", and "Some Information About a Minister for a Minister and a Church Seeking to Understand Each Other".

Two sheets with financial information on them have been published. They are entitled "The Current Rate of Inflation and Pastor's Salary Recommendations" and "Chowan Pastor's Compensation Report".

Copies of these publications may be secured from the associational office and here at the front at this meeting.

SUNDAY SCHOOL REPORT FOR CHOWAN ASSOCIATION, 1978

Our Associational Director of Sunday School, Rev. Earl Hartley moved out of our Association this past year. I have been asked to give this report.

This past year we had a Sunday School workshop at Edenton Baptist Church.

We had a V.B.S. clinic at the Berea Baptist Church. It was one of the best I've attended.

I was privileged to attend the Key Leadership Conference at Ridgecrest. We have some wonderful things in store for our association.

Two Leadership conferences have been planned for our association. One at Edenton Baptist Church, October 30, 1978. The second one, at the First Baptist Church in Elizabeth City, November 6, 1978.

We will be privileged to have Dr. Cecil Ray the General Secretary Treasurer of our Baptist State Convention, and Roy J. Smith, Executive Secretary of the Council on Christian Social Services. Added to this are the men and women of our association, who have gone to Ridgecrest and received the training to lead in these conferences.

I HAVE THREE RECOMMENDATIONS TO MAKE

1. That we adopt the goal of increasing our Sunday School enrollment by the year 1982 by 22%.
2. That we encourage our churches to get involved in the Sunday School Bold Thrust of Reaching Out.
3. That we strengthen our Bible Teaching in Sunday School by getting our Teachers in a Training Program.

Respectfully submitted,
Joseph H. Scalf, Jr.

CHURCH TRAINING REPORT

My feeling is that the Ridgecrest Key Leadership Conference last May has ushered in a new day for Church Training.

We want to be a part of Bold Missions. Telling our state and our world about Jesus by the year 2000.

Many new goals have been set for the next four years.

1. New Church Training Programs.
2. Educating pastor's to the importance of Church Training.
3. Starting "M" night again in each association.
4. Increase the attendance in our churches on Sunday night.
5. To have a strong Church Training program in all churches.
6. To start again the sword drills, and youth speaking contests.
7. We want to be a part of our state goal set by our convention for the year 1982.
   a. Double Baptisms (goal, 52,000)
   b. Increase Sunday School enrollment (goal, 150,000)
   c. Double church gifts.
   d. Double cooperative program gifts.
   e. Double associational gifts.

In the past year we have seen many churches in our association become aware of the importance of church training in the life of the local church. May we continue to train and grow in our Lord's service.

Respectfully submitted,
Herbert Hemingway, Church
Training Director

ANNUAL ASSOCIATIONAL EVANGELISM REPORT

A significant goal in Bold Missions is to encourage every church to double baptisms by 1982 or sooner. Christians need to lead unsaved persons to make genuine commitments to Christ and to guide them

in their spiritual development. Pastors and church leaders can use the notebook — *Bold Evangelism Through the Local Church* — to plan and develop an ongoing program of evangelism. Free notebooks will be available and training sessions will be held in associational evangelism clinics across the state.

"The Evangelistic Church on Bold Mission" was the theme of the 32nd Statewide Evangelism Conference at the War Memorial Auditorium, Greensboro, during February 6-7, 1978. Evangelistic speakers challenged about 2,400 pastors and lay persons to involve church members in bold evangelism.

Four summer youth evangelism teams preached in one week youth revivals and directed youth witness training in many churches across the state. One of these teams led youth revivals in nine churches in Maryland in a joint Bold Mission effort. Genuine decisions for Christ were made by many youth.

Over 900 youth and adults attended the largest Youth Ministry Week during July 3-8 at the North Carolina Baptist Assembly. All persons participated in specific witness training sessions. The emphasis also included vocational guidance and recreation.

Churches are encouraged to become more involved in Renewal Evangelism. The Division of Evangelism cooperates with the Brotherhood Department in this phase of the work.

Sixty-eight associations have participated in one week Lay Evangelism Schools in recent years with 15,000 youth and adults receiving lay witness training from 1,245 churches. Consistent witnessing to non-Christians is essential.

The 33rd Statewide Evangelism Conference will be held at Cumberland County Memorial Auditorium, Fayetteville, on February 5-6, 1979.

November 2, 1978

Larry McClure Presiding

In this year of Bold Mission emphasis, the Mission Advisory Committee thanks everyone in the Chowan Association for their spirit of Bold Missions.

This spirit was seen in the work of *our* Association.

First we are happy to report that we had an excellent program in our Migrant Mission work this year. Rick Lloyd, of Ebenezer, headed

this work again and did an excellent job. He not only went to all the migrant camps that he knew of last year, but also went to new camps across the sound and with the aid of Rev. Bob Kelly of Creswell.

The churches of our association responded with the largest number of health kits, some 800 or more by estimate, and many boxes of clothes. This year also, the Mission Committee purchased, at a reduced price from the American Bible Society, 500 New Testaments and had donated 6,000 tracts to be given out. We feel that this program touched the lives of many people. This is a ministry that does not show visible results in numbers of souls saved and baptised, but we leave the results up to our Lord.

Another area of satisfying ministry was the Associations involvement in the Circus Tent ministry at Kitty Hawk. This year the new tent and the work of the Brotherhood Department in rebuilding the stage and other areas added to the theme "A new Beginning" at the Circus Tent. Our Association again gave $500 through the budget and many other churches and individuals gave much more. The Circus Tent is now in the process of finding a new director for the work next year. Please be in prayer for this ministry.

Our most satisfying work is what is being done at the Hatteras Baptist Mission. Praise the Lord, the church building is up and services are being conducted in the new building. Brother Joe Wattson's reports there will be a church dedication on November 26, 1978 in the morning worship.

This has been a Bold year in our Association and the future is bright in serving Him.

Respectfully submitted,
Bob Robbins, Chairman
Mission Advisory Committee

BROTHERHOOD REPORT

October 1978

The objective of Baptist Men is to assist the church in its task of leading men to a deeper commitment to missions, to a more meaningful prayer life for missions, to a larger stewardship on behalf of missions, and to a personal involvement in missions. North Carolina Baptist Men are organized on a statewide basis to aid individuals, churches or associations in special areas if mission involvement such as Mission Study, Baptist Men's Corps, Royal Ambassadors, Lay Renewal, Combating Moral Problems, Correctional Missions Ministries, Resort and Recreation Areas, Lay Witness Revivals, Disaster Relief and Overseas Missions.

This past year, as is usually the case, our Royal Ambassadors were the most active segment of our Brotherhood work for the Chowan Association. Starting in December of 1978, our R.A. basketball league got off to a good start with about nine churches represented, under the direction of Mr. Fahey Harrell. A very good season ensued and ended with an awards banquet hosted by Berea Baptist Church. Springtime brought about the R.A. track meet which also was a success with winners going to Gardner Webb College for the statewide track meet.

Also, an R.A. Day Camp was held on July 7th at Camp Cale with about 125 R.A.'s in attendance representing about 10 or 12 churches. Mr. Wayne Proctor and his counselors June Byrum, Stanley Hare and Anne Winslow hosted the day camp providing skits, music, baseball, swimming, and fellowship. A good time was had by all.

On Saturday, October 7, there was a special R.A. Day held at Chowan College. Not only were the R.A.'s invited to an open house at the college, but it was homecoming day for Chowan College and the R.A.s were invited to the football game between Chowan and Ferrum College. (We lost by 1 point – 17-16).

There was a Regional Brotherhood Workshop at the Edenton Baptist Church on September 12, 7:30 p.m. with about sixty men and women in attendance. Leaders Frank Black and Jim Hatley from the Brotherhood Commission, Memphis, Tenn.; Clyde Davis (a brotherhood consultant) and Ed Bullock, Brotherhood Department Director, Raleigh, N.C., presented training in the different aspects of Baptist Men and Royal Ambassador work.

Respectfully submitted,
Fahey Harrell, R.A. Director

WOMEN'S MISSION UNION REPORT 1978

Looking back over the past year we have reason for gratitude and encouragement but at the same time, we realize the challenges facing Christian Missions are greater than ever before. We are proud of six new organizations. Our greatest need is for leaders for youth organizations. We pray that during the coming year there will be more leaders and young women enlisted in the Bold Mission Thrust.

The Annual WMU Meeting at Center Hill in April was well attended. Dr. O. D. Martin, former Missionary to Brazil and recently with the Stewardship Division, and Carolyn Hopkins, State Baptist G.A. Leader, were guest speakers.

Most churches had a part in the foreign and home missions studies and week of prayer. Many had graded series and observed the World Day of Prayer with offering for each.

The age level organizations have held rallies and contests with very good attendance and participation. Day camps this year were very inspirational and good attendance, over 300 girls for 3 days.

The Leadership Conference at Berea Church on October 3 had over 110 leaders in attendance. We trust it will prove helpful to those leaders.

The Annual Associational prayer retreat at Camp Cale was attended by 85 from over the area. Mr. Bobby Hewitt of Sandy Cross led the Bible Study, and music and meditation was enjoyed as well as good fellowship at the lunch hour. (Meditation)

President Jimmy Carter gave the Home Mission a challenge in his address to the meeting in 1977 . . . To win our Nation to Christ . . . second only to the great Commission itself. To meet such a bold goal will require the unrelenting prayers and unselfish gifts of every Baptist church member in our association. May we accept the challenge and be supportive of the concept of the Southern Baptist theme to "Let the Church Reach out for Bold Growing, Bold Giving" for our Bold Mission thrust.

Respectfully submitted,
Mrs. Geraldine R. Humphries
W.M.U. Director

REPORT TO THE ANNUAL MEETING OF THE CHOWAN BAPTIST ASSOCIATION

October 17, 1978

We want to say "Thanks" to the people who attended the March and April work days. The work day in May was not attended too well, but a big thanks to Doris Godfrey for scrubbing the cabin floors and Doug Williams for mending the water lines.

Camp Cale had an outstanding, dedicated staff under the direction of Wayne Proctor. Ann Winslow, June Byrum and Stanley Hare, as counselors, did their parts in carrying out a program highly spiritual, informative and fun. They displayed the quality of character that should boost the attendance, of which they were very concerned. Only 130 resident campers enjoyed the efforts of a well qualified staff. We have set the goal at 200 for next summer. Day-camping was attended very well with 351, a record attendance. About 850 used the camp for picnics and retreats.

The Camp Committee decided to try to make it possible for more people to enjoy the camp by booking as many as three (3) small groups of 15 people each (or less) to use the camp on the same date or dates. The leaders of each group will be informed and asked to meet at the

camp and work out a schedule for kitchen privileges, etc. Many times a group will decide at the last minute that they cannot fill their reservation. We have three 16-bed cabins and four 2-bed cabins.

The schedule of activities for Camp Cale will appear in the calendar for the year. Copies of the schedule for 1979 will be sent to each church in January. Brochures will be sent in April.

The "Camp Cale Day" promotion material will be sent the first part of May to be used May 27, 1979. The aim is for our churches to promote their own Camp Cale.

Respectfully submitted,
Billy Jackson
Camp Council Chairman

COMMITTEE ON ORDINATION

Once again our committee on Ordinations enjoyed an active year. The committee, consisting of Joe Peterson, chairman, W. C. Harrell, Bob Robbins, George Cooke, Swindell Lowery, and Bobby Hewitt, examined five men this year. They are:

1. John Watson, pastor of Mt. Pleasant Baptist Church.
2. Tommy Speight, Associate pastor of Corinth Baptist Church.
3. Wade Sawyer, Minister of Music and Youth, First Baptist, China Grove, N.C.
4. Richard Wynn, pastor of Gatesville Baptist Church.
5. John Roland, pastor of Roanoke Island Baptist Church.

The committee is proud to have been able to examine these five men, as they all displayed the qualities and potential for becoming excellent leaders and devout under-shepherds.

The committee also recognizes a need for guidelines pertaining to expectations for candidates for ordination. We will attempt to set forth such guidelines and present them to the Chowan Association for approval and adoption. We realize the guidelines will only be suggestions and in no way does the committee on ordinations intend to infringe upon the autonomy of the local church.

Respectfully submitted,
Joe L. Peterson, Chairman

EXECUTIVE COMMITTEE REPORT

This has been a year of challenge and privilege for me to serve as Moderator of our Executive Committee. I am grateful to every member of the Executive Committee for the support and beautiful spirit of cooperation during the interim period of our Associational year.

The four regular meetings were held in December, March, June and September. The Committees of the Executive Committee were duly elected, organized, and functioned faithfully throughout the year.

Pastoral aid for the following churches were approved:

Cape Hatteras Baptist Mission
Fairfield Baptist Church
Great Love Baptist Mission
Rose Bay Baptist Church
Sladesville Baptist Church

Your committee also approved lot aid in the amount of $2500.00 each for Cape Hatteras Baptist Mission and Great Love Mission.

It is with regret that I have to inform you that the Great Love Baptist Mission no longer exists; however, God in His mysterious ways has already let another work arise out of the ashes, and you will hear more from this work in the near future.

The building materials that were on hand for the Great Love Mission were all transported to the Cape Hatteras Baptist Mission at Buxton, and are now embraced in a beautiful church building. How marvelous are the works of our Heavenly Father.

I am thankful for the excellent work and cooperation of the various committees, our pastors, the Executive Committee, and other responsible individuals with whom it has been my pleasure to work. My special appreciation to the Missions Advisory Committee and its Chairman, Bob Robbins, for their dedication and untiring efforts in reaching out in keeping with our Bold Missions venture.

God has been so good to us and I express my gratitude to Him and to you for the joy of serving as Moderator of Chowan Baptist Association. May we continue to express our love for Him as we reach out in faith and love to those who need Jesus Christ as Lord and Saviour.

Respectfully submitted,
James Dafenport, Moderator

STATE MISSIONS REPORT

These are wonderful and exciting times to be involved in Bold Baptist Missions in North Carolina. Last year we surprised ourselves by giving the largest single state missions offering in the history of our state Baptist work. In doing so we saved an estimated $218,000 in interest alone, freeing debt money that can go directly to more missions ministries. Again this year we are giving more in entering the door for Bold Mission Service.

State Missions is in the business of helping establish church type missions where needed. State Missions offers pastoral and lot aid until a mission can become a self-supporting church. State Missions encourages a steady associational program of evangelism, missions, and church training. The State Convention supplements the budget of fifty-six associations and in some way joins in a cooperative ministry in all eighty of our associations.

State Missions has moved to new dimensions of service in recent years. Christian Social Ministries is a vital part of service in our larger associations. State Missions works with churches and associations to minister to several million people in resort areas each summer. Now we find a wide open door to minister to ethnic people who now live among us. In some way State Missions is ministering to Indians, Japanese, Koreans, Spanish and Vietnamese people.

Next year all separate State Missions causes will now be included in one annual State Missions Offering in September. This new plan will need to be promoted vigorously and enthusiastically in each local church if we reach our goal of giving more than we ever have to all our State Missions ministries. It is recommended that each church that formerly has been including in its budget designated amounts for individual State Missions institutions, such as Baptist Hospital, Children's Homes and others, now put all these in one amount given to the Cooperative Program.

In this year and the next it is our hope that a larger and larger State Missions Offering will make possible a much more extensive Baptist State Missions witness in our associations, in our state and around the world.

Respectfully submitted,
Harvey Y. Criminger, Jr.

FOREIGN MISSIONS REPORT

We are entering the era of Bold Missions and nowhere is this thrust more needed and evident than in Foreign Missions. For the first time in 1977 membership of Baptist Churches in conventions to

which Southern Baptist missionaries relate exceeded 1,000,000 for the first time. More than 500 new churches were organized during the year, and there were 98,715 baptisms.

As of January 1, 1978, Southern Baptists were at work in 90 countries with a missionary staff of 2,776 (including 2,365 career missionaries, 217 associates, 183 journeymen, and 11 special project workers). The new appointees included 127 career missionaries, 18 reappointments, 31 missionary associates, 94 missionary journeymen, and 9 special project workers. Our person from the home office staff was appointed to missionary service, and one to journeyman service. The 1977 appointments being the total appointed since 1845 to 6,147.

But all this is only a start toward the convention's goals of 5,000 career missionaries and expansion into 125 countries by the year 2,000. This will call forth true dedication and sacrifice by each one of us as we prove our concern for lost people around the world.

REPORT ON TEMPERANCE AND MORALS FOR THE MINUTES OF THE 1978 CHOWAN BAPTIST ASSOCIATION

The Christian Life Commission of the Southern Baptist Convention reports that have been a number of encouraging developments on the moral scene during the past year; large numbers of Christians have become more highly sensitized to the increasing level of immorality which is beamed into their homes by television; new initiatives have been made to deal with world hunger; renewed attention has been given to human rights; the importance of doing the gospel in daily life has been more widely accepted in the churches; and the place of Christian morality as the natural outgrowth of Christian conversion has come to be more generally subscribed to among the people of God. There have been enough discouraging developments on the moral scene, however to keep Christians humble; hunger and poverty persist; racial problems go unresolved; gambling and alcohol interests keep on finding new victims; the arms race continues its milignant growth; the energy crisis keeps building; health care costs continue to rise; and both inflation and unemployment trouble multitudes of people at home and abroad.

The Christian Life Commission has responded with all its might to these moral challenges. Through conferences, literature, organizational activities, speeches, sermons, books, and the mass media, the Commission has assisted Baptists working to bring God's righteousness to a sinful world.

Many of our Baptist Churches have joined with others in a cooperative effort in their support of the Christian Action League (regretfully) unsuccessful flight in the North Carolina General Assembly to

defeat Senate Bill No. 735 allowing a vote by certain counties, cities or towns with ABC Stores to hold referendum and vote to determine if liquor by the drink should be authorized, and are presently engaged in activity to defeat the passage of Liquor By the Drink at the polls, whenever and wherever the referendum is held. So far the results are sadly discouraging when we realize that our defeat in these efforts appear to be from within our Christian Community rather than from those on the outside.

Our churches have a grave responsibility to meet the challenges that lie a head in this imperfect world where new moral challenges are constantly arising. The responsibility starts in our local Churches where our Baptist Church Covenant becomes a mockery by those, in high or low office, who violate it. Yes Baptists have a great responsibility, first in Jerusalem (our local churches) then in Judea (our localities City, County, Town, State) and unto the Uttermost Parts Of the Earth (The rest of the world including the highest office and the lowest office of the land.)

The Chowan Baptist Association and its member churches stand ready, under God, to meet the challenge that is their commitment.

Respectfully submitted,
Rev. W. Bond Sawyer

HOMES FOR THE AGING

The Baptist people of North Carolina have five (5) Homes for the Aging. They are: Resthaven, Winston Salem; Hayes Home and Nursing Care Unit, Winston-Salem; Albermarle Home, Albermarle; Hamilton Home, Hamilton; Yanceyville Home, Yanceyville and a new home, Western North Carolina Home, Asheville to be ready for service by February 15, 1979.

The Nursing Care Unit, Winston-Salem serves the present five (5) homes and will serve the new Western North Carolina Baptist Home in Asheville.

Our Baptist Homes for the Aging have received vital help from our more than 3,400 Baptist churches in North Carolina, the Cooperative Program and special offerings and gifts.

The needs of our Baptist Homes for the Aging are greater than ever before.

The Baptist people and churches of North Carolina, as we enter the "Bold Missions" for our Lord need to remember and to help our aging people in our homes. May we look to our Lord and be led of

Him and fully support all of our Baptist work here in North Carolina for when we help others we are helping our Lord.

George Broome

BAPTIST HOSPITAL REPORT

Because you care, Baptist Hospital has continued to grow and to improve its patient care.

During the year, the Department of Family Medicine has moved into new and larger quarters. This will enable the Family Practice Center to provide Health Care for more than 5,000 families by 1980. The teaching program for resident physicians in medicine will also increase, making 36 positions available by 1980.

Other improvements in patient care include the installation of a whole-body scanner and the opening of new and larger facilities for the Intensive Care and Intermediate Nurseries. The body scanner is particularly useful in locating and defining problems such as tumors in the chest, abdomen and pelvic areas; in determining the spread of disease from one organ to another; and visualizing aneurysms in the abdomen. The new nurseries have already played a significant role in reducing the infant death rate and in improving the chances of premature babies growing up without lasting effects from earlier medical problems.

The Department of Pastoral Care continues to make a significant contribution to patient care as well as in clinical pastoral education, counseling and enrichment events. During recent months the department has begun another satellite center; this fourth satellite is in Charlotte and is operated in cooperation with the Mecklenburg Baptist Association. In April of this year, the Counseling Center received accreditation by the American Association of Pastoral Counselors.

Recently, the Medical Center Challenge Program completed a successful fund campaign, over-subscribing its $18-million goal. The final project in this program will be the replacement of the original hospital building, opened in 1923, with a new Focus Building which is scheduled for completion in 1980.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA INC. REPORT TO THE ASSOCIATIONS EASTERN AREA 1978

The programs, services and facilities of the Baptist Children's Homes of North Carolina are being utilized well for the care of

children and in providing assistance to families that need our help. North Carolina Baptists and other friends continue to support this ministry through personal involvement, prayer and financial support. It is the purpose of the Homes to provide quality care and to be worthy of the faith and confidence of our many friends and supporters.

Requests are coming to the Homes from various sections of the state for additional community-based services (such as, emergency care and group homes). This is a wholesome trend in child care. Children can best be served and families strengthened when care can be provided reasonably close to a child's home. Our homes have been moving in that direction for several years. We will respond to additional requests for programs and services as financial resources permit.

North Carolina Baptist have reason to be pleased with work that is currently in progress throughout North Carolina. In the eastern area many exciting programs and services are provided at Kennedy Home, Odum Home, McNeill Home, Henderson Emergency Home, foster homes, the wilderness education-therapeutic program, vocational rehabilitation, programs of crises intervention, counseling and family education. These fill a great need in this area of the state.

We are in constant need of well qualified staff. This is particularly true of cottage parents and foster home parents. Join us in prayer that God will impress upon sufficient numbers of prospective workers that child care is a Christian vocation and that it affords wonderful opportunities for service.

We are deeply grateful for support of the Children's Homes which comes from our churches through the Cooperative Program, special gifts and the traditional Thanksgiving offering.

The forthcoming Thanksgiving offering is extremely important. This will be the last time that our people will have the challenge of making an over and above offering to the Children's Homes at Thanksgiving time. As a part of the Bold Missions thrust, the Thanksgiving offering for the Children's Homes in 1979 will become a part of the North Carolina Baptist State Missions offering to be received each September thereafter.

To bridge the transitional gap next year, our trustees have set a goal of $1,000,000 (one million dollars) through the 1978 Thanksgiving offering. We are dependent upon our friends for financial support sufficient to carry on this ministry.

Thank you for being here and helping us with our part of this Baptist work.

RESOLUTIONS COMMITTEE REPORT

Whereas, 1978 has been a pivotal year for the Southern Baptist Convention in light of the Bold Missions Thrust, we of the Resolutions Committee do resolve on the behalf of the Chowan Baptist Association to become an integral part of Bold Missions in Christ's Name.

Secondly, we resolve to be a praising people in that: we praise God for reminding us of our accepted relationship to Him by constantly challenging and developing our faith.

We praise Hertford and Sandy Cross Baptist Churches for the hospitality and the services with which they blessed us, we praise Dr. Petty, Rev. Don Phillips, Dr. Brightie White, Dr. Garland Hendricks, Rev. Harry Byrd, Rev. George Broome, for boldly preaching God's Word.

We praise Rev. James Davenport for his sweet spirit as our Moderator.

We praise all those involved for planning a program in which God's spirit could openly touch us.

We praise Dr. Roger Bullard, Dr. Gray, Mrs. Leppard, Mrs. Long, and Rev. Greenway for sharing and illuminating God's word.

We praise all the messengers who came in service to their local body and leave to uplife those churches with the challenges and the good news that was presented, at the annual meeting.

Respectfully submitted,
Resolutions Committee,
Robert Kelley, Chairman
Mrs. Hilda Frances,
Mrs. Ruth Lowery,

4. Scripture Reading and prayer was given by Lyndell Stike, pastor of the Geneva Baptist Church.

11. Special Music was provided by a Trio from the Berea Baptist Church.

12. Roy Smith, from the Baptist State Convention, spoke to the Association about our churches equipping themselves for Church Advance. The emphasis was on a new, bold type of witnessing. We cannot wait for the world to come to us, we must go to the world. Our evangelism must include our time at work, at home, and at church.

13. The assembly then stood and sang together, *"Amazing Grace,"* just before the young people from Ballard's Bridge and Rocky Hock Churches led us in a period of very worshipful music.

14. Overcoming Obstacles to Church Advance, was the subject of the message brought by Bobby Hewitt, pastor of the Hobbsville and Sandy Cross churches. His emphases were on the points, that; 1. Programs, money, are not more important than people. 2. The fact that we expect more from others, than we expect from ourselves. 3. And, the apparent neglect on the part of many churches in supporting their pastor, financially, and the sometimes lack of moral support from those at the State Convention.

15. Instruction about the evening meal was given by Glenn Greenway, after which he pronounced the Benediction.

The last Sunday in May has been designated as Camp Cale Day in our Churches.

Dick Brewer was nominated as chairman of the finance committee to replace Bob Gray, who has moved out of the association. Also, Joe Buck is to be added to the finance committee. This report voted on and passed.

Circus Tent ministry mentioned. A letter was read from the Circus Tent folks thanking us for the $500 that was sent.

Finance report given. There was lengthy discussion about the taxes paid out to the county of Perquimans. It was suggested that we check with Caraway and other campsites in the state and see if they had paid any taxes. A motion was made to have someone check with county commissioners about this tax and why. Motion passed.

Mrs. Humphries, WMU Director of the association, made a few remarks about the WMU work in the association. Robert Kelley made an announcement about a Youth Rally at First Baptist Church in Elizabeth City. Brief announcement about renovation at Chappell Hill. Camp Cale report given by Billy Jackson.

There was considerable discussion about approval of a loan for the Kitty Hawk Baptist Church. Approval had already been given for the church to borrow $50,000. The church is asking for an additional $10,000. Since the property is in the name of the association, the association must give approval of such loan. A suggestion was made to refer this matter to the Advisory Committee for study and later make recommendation to the Executive Committee. Motion was made for the borrowing of this money. Then an amendment was made, to refer the matter to the Advisory Committee and let them act on behalf of the Executive Committee. The amendment failed. A new motion was made, after vote on main motion failed. New motion stated that we allow Kitty Hawk Church to borrow the amount stated. Motion made to adjourn. Robert Kelley led in closing prayer.

JUNE 5, 1979

Meeting called to order by moderator, B. E. White. B. J. Traywick gave devotion. Minutes were read and approved. Brief announcement about Kitty Hawk loan. The Nominating Committee gave report: the following were recommended for the Mission Advisory Committee: Lyndell Stike, Chairman, S. L. Lowery, George Broome, Joe Scalf, Don Wagner, Eddie Brown. Motion made and report accepted.

Lyndell Stike, chairman of this committee, made a brief report. A problem with the migrant missions project was discussed. It was suggested that the local churches, in the vicinity of migrants, be the responsible persons in dealing with the migrants in their area. Bible School Extention work was discussed as perhaps the most effective way of reaching the migrants.

Camp Cale report and treasurers report given. Announcements concerning a safety deposit box. Larry McClure and wife will teach the foreign mission book in the fall. Constitution Committee made report. A lot of committees have

been combined it was announced, due to a lot of rearranging on the part of the state convention.

Future of Camp Cale discussed by Larry McClure. It was discussed that we need to winterize a building at the camp, or build a new building, so that the camp might be in use the whole year. In the event this happens, the state convention could plan meetings there, and the camp would be in use for the region also not just our association. It was discussed that we could use volunteer labor to build new buildings at Camp Cale, similar to the labor used at the Kitty Hawk Church.

The understanding was that this would be a joint report, with the association and the state convention. A motion was then made to name the first unit after Billy Jackson, the name would be "Jackson Lodge". Motion passed.

Another matter was then introduced. It was discussed at length as to whether it would be wise to split or divide the association for the benefit of those who lived on the fringes of the association. It was mentioned that we might have two associations. In the case of Camp Cale, it would be owned jointly by the two associations. After lengthy discussion, a motion was made to drop the subject. Objection was made to this, but the objection was voted down. Motion to drop the matter passed by 15-7 vote. The matter was dropped.

Motion to adjourn made and seconded and we were dismissed with prayer by Larry McClure.

SEPTEMBER 4, 1979

Meeting called to order by moderator, B. E. White. Devotion was led by Sonny Floyd, new pastor at Calvary Baptist Church. Minutes were read and approved. New ministers were introduced: Sonny Floyd, Calvary; Wint Hale, Ebenezer. Treasurers report given, accepted. Brief report on Camp Cale given in three parts:

1. Billy Jackson gave the first report. Discussed ways to improve the camp. Was to meet with Camp Caraway people to discuss ways to better utilize the camp at Cale. Also discussed possibility of expanding the camp.

2. Dick Brewer, chairman of the Finance Committee, gave the second report. He suggested that we transfer $10,000 from the general fund of the association to the Camp Cale Building Fund and put it on certificates, at the highest rate of interest. Motion passed.

3. Lyndell Stike gave the third report. Suggested that pastors and lay leaders encourage their churches to take Camp Cale offerings or, to set a day aside as Camp Cale Day in their churches. The sooner we start giving to Camp Cale the sooner we can have new buildings, it was stated. Motion passed.

Dick Brewer, chairman of Finance Committee, presented the new budget for 1979-80.

Some announcements were made concerning State Missions Offering this fall. Also Foreign Mission Study announced. Larry McClure and wife are teaching it wherever needed. Minister's Retreat at Camp Cale, September 15, announced.

Camp Cale report given by Billy Jackson. In the report Mr. Jackson recommended that the cost for campers in our association be increased from $30.00 to $40.00. It was suggested that other associations that would like to use the camp, pay $60 per camper and suggested that the association from which they were to come pay $20 of this. This motion was amended to say that all

associations, including Chowan pay the same amount which was $40.00 per camper. The amendment passed.

The Constitution Committee made their report. Bob Poole, chairman, noted some of the changes that were made in the revision. After much discussion, the revised constitution was adopted by the Executive Committee. It was announced that the association must review it, and pass on it. Several of the articles were voted on: ARTICLE II, Section 2, motion made to say; Southern Baptist Ministers, rather than all ordained ministers. This motion failed. ARTICLE IX, Section H, motion made to amend to read; including moderator. It was noted that the moderator was ex-officio member of all committees. This motion failed. Motion to accept revised constitution made by Dick Brewer. Seconded by Billy Jackson. Motion passed.

Meeting dismissed with prayer by Bob Poole.

CHURCH TRAINING DIRECTOR'S
ANNUAL REPORT FOR CHOWAN ASSOCIATION
CHOWAN BAPTIST ASSOCIATION

"IN THE BEGINNING, GOD...", this is the point of our beginning...in fact, this is the point of life's beginning. It is the beginning of our salvation, Christ's purpose, and the mission of the church in the world... You see, this beginning is our imperative to let the mission of the church be extended through us to all people. This, my friends, is Church Training...bringing church members to the source of life and God's purpose for life. The ministry of the Church Training program is also directly related to the purposes of God. Now, the Church Training program, when working properly, works closely with all of the other church programs and church services and it assists the pastor and the church in growing disciples. From babes in Christ when we are born again, we must grow into the discipleship that God would have us obtain, and Church

Training has its rightful role in this time of growth. Brethren, equipping church members for work in God's ministry is the heart of pastoral and church responsibility and it is the biblical way to build up the church. This, my beloved, requires total commitment from the pastor as well as the professed church member. Fully realizing my few years in the active pastoral ministry, I still feel that I should challenge my colleagues to approach this thing of Church Training more positively and prayerfully, if you haven't been, lest you have a part in defeating its divinely appointed cause. And for you, the active church member, are you doing your part in carrying forth the Church Training program in your church? Are you growing into discipleship for your Lord and/or attempting to help others through this most important program?

Currently, as to the best information available to me, the Chowan Baptist Association minutes reflect some 14 churches as having Church Training Programs. The approximate total enrollments total some 900 members.

These totals reflect one addition to our associational Church Training program since the last reporting period. Naturally, we praise God for any increase, but it saddens me that in general, the efforts through my speaking to church groups concerning Church Training and the letters of encouragement which were sent to the pastors of every church in this association drew little or no response except in a casual way. Information was sent to each church, through their pastors, requesting that participants be trained to compete in the Bible Drill contests. Only two churches responded, yet later complaints were received by me from some churches thay they had not been made aware of our "M NIGHT" or the Bible Drill contests. I hope that communication in the future will improve.

We had a wonderful "M NIGHT" this year at Berea Baptist Church with the attendance being approximately 90 members. The feature of the program was the Bible Drills on the Associational level and consisted of two participants in the Children's division and one youth in the Youth division. Mary Kay Lane of Chappell Hill Baptist Church won first place in the Children's division with Lori Harris of Berea Baptist Church gaining second place honors. Both participants qualified to compete in the State finals and won first place honors there. Connie Lane competed on an individual basis for the right to represent our association at the State level, which she did and was the individual second place winner. We are very proud of these young ladies and wish to present them to you at this time.

In closing this report, may I sincerely express my gratitude, in all humbleness, to all of those who worked with me and assisted me so faithfully during my year as your Church Training Director. Without your help and the leadership given by our Lord, we could not have accomplished anything.

May I close this report with two remarks given you in 1977 by Bro. Herbert Hemingway, your Church Training Director at that time...

He admonished you to remember that:

1. Church Training aids SPIRITUAL GROWTH by helping to develop a deeper Doctrinal Conviction.

2. Church Training strengthens Christian values and helps members live their faith.

God grant that you allow Church Training to become a part of your life in the days to come.

Respectfully submitted,
Billy Old
Church Training Director

WMU REPORT FOR 1979

A review of some of the activities of our women in the Chowan Association who have shown a willingness to honor and serve God during 1979.

Our Annual Meeting at Ballard's Bridge in April had an attendance of 202 from 37 churches. Mr. Henry Stough, retired minister from the West Chowan Association, challenged us with his message to "Go ye into all the world" to carry the gospel to the uttermost parts. Miss Connie Turpin, former Missionary Journeyman to Brazil and now attending the Southeastern Seminary, brought a good report of work of the missionaries there.

The WMU Executive Board consisting of associational age level directors are excited about Bold Mission Thrust. We have five new organizations and some that are reorganizing. Ongoing tasks are being strengthened by mission study, mission support and mission action, our leaders, officers and members find themselves at the front of this Thrust. All of our leaders attended the state workshop at Munda Vista in August and were well prepared for our workshop at Corinth Church on September 25.

We had 32 acteens from 7 churches along with 16 leaders to attend Acteens' Congress in Kansas City, Kansas in July. GA's have been busy with day camp and their annual Fall Rallies that were well attended.

This has been a year of privilege and challenge as I attended the Key Leadership Conference at Ridgecrest in May, our churches are being made aware of our state needs and have responded with the best N. C. State Missions offering to date. There is a deepening interest in missions expressed by more people praying and more sacrificial giving...only eternity will reveal the results of these efforts.

MISSIONS ADVISORY COMMITTEE

In this year of making Bold Mission Thrust a reality in our Chowan Association, your Mission Advisory Committee consisting of Lyndell E. Stike, Sr. Chairman, S. L. Lowery, George Broome, Joseph Scalf, Donald Wagner and Eddie Brown, enjoyed an active year working in the following seven categories:

1. Swan Quarter Baptist Church reports
2. Migrant Missions
3. The Circus Tent, Inc.
4. Cape Hatteras Mission
5. Seminary Extension
6. Resort Mission Ministry
7. Fellowship Baptist Church, Moyock, N.C.

I was asked to replace Bob Robbins as chairman of this committee on April 23, 1979. My first duty was to accompany the following key leaders to the Ridgecrest Conference Center: B. E. White, J. Davenport, H. Hemingway, J. Peterson, J. Scalf, D. Davis, R. W. Humphries, R. Hall and G. Mickey. Calvary Baptist Church graciously let us use their new Ford with the stipulation that Herbert Hemingway would be responsible for its safe return. This he did very well by stopping for safety gas checks frequently. We thank you very much Calvary for you made our trip a very pleasant one.

You key leaders made the decision to hold a Key Leadership Clinic on October 29, 1979, at Hertford Baptist Church. We hope to see all of the key leaders at this time of Bold Mission Planning.

Our work with Migrant Missions consisted of the churches making up health kits which were turned over to Mrs. Rose Pugh of the Elizabeth City Migrant Workers Department, to be distributed in the name of our Chowan Baptist Churches. She reported at least three hundred and eighty-seven kits were given out and every migrant and each member of his family, if present in camp, received a kit. They were eagerly well accepted. The migrants look forward to them every year and make good use of them.

Mrs. Pugh said, "We expect about two hundred and fifty migrants to return by late October and while we have a few kits on hand there are not nearly enough for all". Mrs. Pugh said to thank all the church groups contributing to this worthwhile cause.

We are asking the churches of our Association to prepare five hundred health kits and to deliver them to Mrs. Pugh at the Elizabeth City Health Department or to the Association office in Edenton. We are asking the W.M.U. to supervise this work for us. Let me thank the W.M.U. and especially Mrs. Humphries for their leadership and work in making up these kits.

Your Missions Committee is asking the churches that have migrants in their area of responsibility to minister in the name of Jesus Christ by offering to conduct a mission V. B. C. Your Missions Committee will support this mission endeavor as you have need.

Respectfully submitted,
Lyndell E. Stike, Chairman

BROTHERHOOD REPORT

The Associational Brotherhood program exists to help churches inform, inspire, and challenge their men and boys to new heights in missions.

The Associational Brotherhood program primarily exists to serve the churches - to help the churches initiate the involvement of its men and boys in missions, enlarge their present efforts, and effectively conduct mission work for and through men and boys.

Is your church involved in a Brotherhood program? Should it?We all know the answers to those two questions, but are we willing to take the time to form a program that can accomplish some of the above objectives?

Once again, this year the Royal Ambassadors have been the more active unit of the Chowan Associational Baptist Men.

Royal Ambaseador work is progressing in our Association with new chapters being formed at Middle Swamp, Columbia, Salem and Whiteville Grove Churches.

This year there were 21 RA teams competing in tough Associational competition. The Corinth and Gatesville Churches won the older and younger Pioneer Associational championships and went on to win additional games in statewide competition.

On May 12, 1979, five churches participated in the Associational RA Track Meet, at Northeastern High School, of which several went on to compete in the state track meet at Campbell College. Several of our boys won state honors in track.

There were also some boys who went to Winston Salem to represent our Association at the Ambassador Congress.

Mr. Paul Traywick provides this information concerning the RA Day at Camp Cale on July 6, 1979. The day started with registration of the boys completing about 9:30 A.M. with about 125 in attendance. These were divided into two age groups of 7-9 year old and 10-14 year olds. Some played in the water, others played basketball, ping-pong, softball, volleyball, and yet another group took the nature trail hike. Lunch was from 12:00 to 1:30 followed by

more of the same activities until about 3:30 P.M. when everyone departed for home.

CAMP CALE REPORT TO THE CHOWAN BAPTIST ASSOCIATION October 23, 1979

Camp Cale offered the very finest quality camping this summer. The staff did an outstanding job, but somewhat disappointed by the low attendance of only 107 resident campers. Day camp attendance of 310 was about as usual. We are getting about one out of twenty of our camping age, which is less than half of the number planned for.

To help promote Camp Cale in our churches, we mailed 8,000 copies of a brief history of the camp. The last Sunday in May is Camp Cale Day in our churches. Please help us to promote our camp in your church.

Plans are being formulated to start a portion of the winterized lodge building. This portion is to contain a conference room that will be converted to rooms as the building is enlarged. There will be rooms to sleep about 25 people over the conference room. This building will be programmed throughout the year for retreats, and clinics of local and regional church groups.

The schedule of activities for next year have been dated for work-days and the camping season next summer.

Several of our churches have included Camp Cale in their budget under missions. We appreciate the gifts of individuals, churches and groups of our association and others.

The camp council and committees feel that Camp Cale should be used by more young people of camping age. At the Sept. 4th Executive Committee meeting of the Chowan Baptist Association, our plan to invite other Associations to join us for camping until the camp is filled, was accepted. Due to the increased cost of supplies, the council recommended an increase in fees from $30.00 to $40.00 per week for resident campers. It was agreed upon that all campers fees will be $40.00 per week.

We wish to express our appreciation to the Executive Committee for their help, and concern for Camp Cale.

Respectfully submitted,
Billy Jackson,
Chairman of Camp Council

MY DEAD

I cannot think of them as dead
Who walk with me no more;
Along the path of life I tread
They have but gone before.

The Father's House is mansioned fair
Beyond my vision dim;
All souls are His, and here or there
Are living unto Him.

And still their silent ministry
Within my heart hath place,
As when on earth they walked with me
And met me face to face.

Their lives are made forever mine;
What they to me have been
Hath left henceforth its seal and sign
Engraven deep within.

Mine are they by an ownership
Nor time nor death can free;
For God hath given to love to keep
Its own eternity.

——Frederick L. Hosmen

MISSION COMMITTEE REPORT

The Missions Committee of the Chowan Baptist Association began the year under the able leadership of Brother Lyndell E. Stike, pastor, Geneva Baptist Church. In December, Brother Stike moved to Ohio. The association's nominating committee appointed me to be the chairman of this committee in March, 1980.

One of my first duties was to accompany other associational officers to the Key Leadership Conference in Ridgecrest, May 12-14. I attended the Missions Committee Conference.

Plans had already been under way to secure health kits from the churches for the migrant ministry. All the kits were taken to the First Baptist Church of Elizabeth City for distribution by the Elizabeth City Migrant Workers Department. Some of the women of our churches collected clothes for the migrants too.

Our committee projects the need for more health kits next spring and summer and requests the churches to continue this good ministry. In addition, the local church Missions Committee and/or the WMU Mission Study and Mission Action chairwomen are asked to consider mission work to the migrants in their church's field of responsibility as well as other mission needs (rest homes, nursing homes, summer and retirement developments, etc.), such as: Mission VBS, backyard Bible studies; home Bible studies; and worship services.

Our committee has suggested: that we continue to support the Circus Tent at Kitty Hawk; that the Baptist State Convention give assistance to some of our churches and missions; and that we search out places where new work might be started.

$200.00 was taken from the budgeted item under Missions Expense and given as honorariums to our three guests at the Key Leadership Conference.

Donald Wagner, Chairman
Missions Committee

WOMAN'S MISSIONARY UNION REPORT

The annual meeting at Sandy Cross Church in April was the highlight of our WMU year. Reverend Larry McClure and Dr. Bela Udvarnoki brought inspiring messages to the 225 in attendance. Dr. B.E. White carried us back to our beginning 75 years ago at Rocky Hock Church in his message.

All age level directors of the associational council attended the state workshop at Mundo Vista last fall in preparation for our fall associational leadership training that was held at Corinth Baptist Church. Over 100 leaders came in for training.

Church WMU directors served as interpreters for the N.C. State Missions offering in many of our churches. Increased offerings showed a job well done.

Key Leadership Conference at Ridgecrest for 1980 gave us a real challenge for Bold Mission Thrust. The Southern Baptist strategy is to communicate the gospel to every person on earth by 2000 A.D.

Numerous health kits were assembled and delivered to Blackwell Memorial Church in Elizabeth City for distribution to the migrants in the area.

The Acteens Rally at Warwick and a Talent Contest at Woodville churches were good inspirational meetings and good fellowship was enjoyed. One Acteen scholarship was awarded this year.

GAtivity, a regional meeting at Berea Church in March for GA's had over 300 in attendance. Also Mother-Daughter Day at Camp Cale was well attended. Both of these were new ventures for our youth organizations and proved to be worthwhile.

This was our best year for Day Camps at Camp Cale. Local camp is a must in order to go to the state camp.

Some of our members saw the "Passion Play" in Germany this summer and others attended the Baptist World Alliance in Toronto, Canada. Both were lifetime experiences.

We are ever mindful of the Great Commission when Jesus said in Matthew 28:19-20, "Go then, to all peoples everywhere and make them my disciples: baptize them in the name of the Father, the Son, and the Holy Spirit and teach

them to obey everything I have commanded you, and I will be with you always to the end of the age."

Mrs. Geraldine Humphries
WMU Director

CAMP CALE REPORT

This has been a year of frustration for the camp committees. As chairman, I wish to express my deepest appreciation for their concern and dedication to Camp Cale for the people of the association.

November 21, 1979, an appointed planning committee, the camp council and Mr. Bill Jackson of Camp Caraway (by invitation) met at Camp Cale. The purpose of the meeting was to get Mr. Jackson's ideas for future development of the camp.

April 17, 1980, the two committees met to consider Mr. Jackson's plans, which included winterizing part of the present buildings. This part of his plans did not meet with the approval of the general chairman of Camp Cale. The proposed plan as worked out by the two committees was passed by the Executive Committee; with work to begin as soon as possible.

June 12, 1980, the general chairman sent a letter of resignation to the chairman of the nominating committee, effective September 30, 1980, in protest of this action. Besides many knowledgeable reasons, it violated the Master Plan. The annual report to the association would have been given a detailed plan for its consideration.

June 16-August 2, 1980, resident camping, directed by Reverend Larry McClure, was attended by 158 campers. He reported 24 professions of faith and 250 day campers.

About six years ago we started looking for someone to live on the campsite. Mr. Jimmy Copeland has moved his trailer on the site, and the job is about complete. The parking area will soon be finished. The gravel is piled on the area ready to spread. These two items are parts of the plan passed by the Executive Committee. The camp committee's only objection is to winterizing the dining hall and the cabins.

Billy Jackson, Chairman
Camp Cale Council

YOUTH COMMITTEE REPORT

The work of the Youth Committee for 1979-80 has basically been preparation for an associational project called 'zoning'. This project is a means of heightening the awareness of youth to the fellowship in their church and the association. Through zoning, the Youth Committee proposes to increase communication and education among local youth group leaders, fellowship of the youth involved and the revelation of Jesus Christ in the daily life of the youth.

Last spring, a youth rally was held at Rocky Hock Church at which the film Pilgrim's Progress was viewed. Afterward, youth were challenged to consider their pilgrimage in life and the direction of their living in relation to Christ.

The committee hopes that reports for next year will be constituted of news that youth groups are becoming active and concerned about their missions more so than big associational gatherings.

Robert Kelley, Chairman
Youth Committee

MINISTERIAL COMMITTEE

The Minsterial Committee examined and recommended for ordination the following men:

1. Gordon West - Pastor of Oak Grove Baptist Church
2. Garry Mickey - Pastor of Ross Baptist Church
3. Brent Rector - Associate Pastor of Corinth Baptist Church
4. Leonard Hedgecock - Pastor of Cape Hatteras Mission

Under the leadership of Dr. Brightie White the following Seminary Extension classes were offered this past year.

1. The Book of Ephesians
2. The Book of Phillipians
3. The Pastor and His Wife as Persons
4. Pastoral Care
5. Principles of Preaching
6. How to Understand the Bible
7. History of Christianity

Dr. Cecil Ray stated in a recent article, "We have a problem — a serious problem — in pastor-church relations in our Baptist churches." The Ministerial Committee exists, in part, to offer counsel to the pastors and churches of the Chowan Association when problems disrupt their relationship. The committee is more than willing to offer assistance upon the request of the pastor or church.

John A. Allen, Chairman
Ministerial Committee

BAPTIST CHILDREN'S HOMES REPORT

The Baptist Children's Homes of North Carolina, Incorporated is an Institution of the Baptist State Convention and provides a Christian ministry of child care and family services.

During the past three years, members of the Board of Trustees and members of the administrative staff of the Homes completed an indepth evaluation of the Institutions' total program of services. We share three significant statements from that report.

"The advancement of this mission and ministry requires (1) wise and resourceful leadership, (2) a well trained and highly skilled staff who really care for children, (3) a carefully planned program of child care and family services, (4) appropriate physical facilities, (5) adequate funds and sound fiscal policy, and (6) the confidence and support of an informed and devoted constituency."

"At this time the Baptist Children's Homes of North Carolina, Incorporated is in a position of strength. This strength comes ultimately from God and is discoverable in the commitment, the competence, and the faithful work of His people engaged in this ministry."

"This is not a time for complacency in child care and family services in North Carolina. It is a time for rigorous study, reflective planning, earnest prayer, and courageous action."

The lives of more than forty-five hundred people were affected in a significant way by the services of the Children's Homes during the past year. Fifteen hundred of these were children for whom you helped to provide care and related services. While serving children and young people, work was being done with important adults in their lives.

Necessary to the fulfillment of the mission of the Children's Homes are "people" resources, financial resources and spiritual resources. We are blessed with these.

BAPTIST HOSPITAL REPORT

There has been much progress made in the Hospital care of our people. The hospital has upgraded itself. We have bought new equipment. The Baptist Hospital has bought a carbon dioxide surgical laser. The department of dentistry is being expanded. New equipment has been bought to help infants with hearing loss. The area of counseling in Financial Counseling has been improved.

The care for the state's crippled children and counselors are available if needed. The hospital has become a member of the Sun Alliance, an organization of 22 larger hospitals in nine Southern states.

The program for Pastoral Care continues to give patients and families help in the time of need in the hospital.

Construction on the Focus Building, on the site of the Old Main Building which was torn down two years ago, is almost complete. Several departments of the Medical Center will be occupying this building in the near future.

During 1979, the hospital received $400,500 through the Cooperative Program, and $357,517 through the North Carolina Mission Offering and designated gifts.

This year in our Association 20 churches out of 58 gave to the Baptist Hospital through the Baptist Benevolent Fund.

DENOMINATIONAL COMMITTEE REPORT

This was a good first year for your Denominational Committee. Working with Mrs. Lane and our State and Convention Agencies. Working with our churches in Evangelism, we conducted a Bold Evangelism Clinic in March with Richard Everett from the Department of Youth and Renewal Evangelism. We also coordinated the members from our Association as they attended the Key Leadership Conference at Ridgecrest. "Helping to Grow Stronger Churches Through Outreach" was the theme.

EVANGELISM REPORT

All Baptists are urged to participate in the Joint Statewide Evangelistic Crusade in 1982. The theme will be "Here's Hope." Interpretation Meetings will be scheduled across the state to share suggested plans and basic thrusts for the 1982 Joint Crusade effort, which is co-sponsored by the Baptist State Convention of North Carolina and the General Baptist State Convention. The Simultaneous Revival dates for the three areas of our state are: Coastal - March 14-28; Piedmont - April 4-18; and Mountain - April 25-May 9, 1982. Every church is encouraged to plan a revival meeting during one of these suggested

dates. Let us pray daily that every unsaved person in North Carolina will have the opportunity to hear the gospel of Christ by the end of 1982.

Recently the Executive Committee of the General Board approved the department name change from Department of Youth and Renewal Evangelism to Department of Personal Evangelism. Richard W. Everett is director of this department. His department work now includes various phases of witnessing training for youth and adults.

New materials on Lay Evangelism Schools prepared by the Evangelism Section of the Home Mission Board, are now available for use by our churches. The Lay Evangelism School is a one-week effort to train youth and adults to become more effective witnesses for Christ to the lost.

Evangelism Clinics for bi-vocational pastors are now being held across the state to assist pastors of rural-small churches, and churches with no baptisms in practical ways of evangelism planning to involve members in witnessing.

The 35th Statewide Evangelism Conference will be held in Asheville during February 2-3, 1981.

Herbert Hemingway, Chairman
Denominational and Evangelism
Committee

PERSONNEL COMMITTEE REPORT

It is the duty of this committee to supervise the regular employees of the Association. We have only one - Glenn Lane, our Associational Secretary, and she needs very little supervision because of the good work she does. We are fortunate to have her, and we commend her for her devotion to her work, her friendly manner in dealing with all who come to the Associational office, and the competent way she handles her duties. Amen.

Brightie White, Chairman
Personnel Committee

SUNDAY SCHOOL REPORT

October 7, 1980

1. Meeting called to order by Dr. White, Moderator.

2. All joined in singing "Amazing Grace", then prayed together the "Lord's Prayer".

3. Dr. White reminded all to remember the sick in their prayers.

4. Minutes for the June and September meetings read by the Clerk, Floyd Enzor.

5. Bobby Hewitt explained and asked that paragraph nine, sub-paragraph C of September be corrected to read that Bobby Hewitt contacted Mr. Jackson. Correction made.

6. Dr. White read letter sent from his office to board members.

7. Dr. White recognized Fred Davis who read the proposal from the Camp Cale Committee to the Executive Committee of the Chowan Association.

8. Dr. White called for questions and discussion.

A. Mr. Jackson stated he did not agree with plan approved at September meeting.

B. C.L. Brewer and Bobby Hewitt asked for a clarification on the discussion.

C. Mr. Jackson gave two reasons he disagreed.

(1) It was not the original plan which committee agreed upon, and,

(2) It would destroy the "camp atmosphere".

D. C.L. Brewer said the approved plan was the original plan.

E. Dr. White brought everyone up-to-date on previous decisions.

F. Fred Davis stated that when we took first vote that we didn't "have it all together".

G. Robert Poole asked what were we planning for use as a dining hall.

(1) An open discussion followed.

(2) Dr. White explained that from the beginning it was intended that the camp be used the year around.

(3) Bobby Hewitt asked for dollars and cents "tag" on project compared to June vote.

(4) Answer: $11,254.00 per building (three buildings)

(5) Dr. White asked if the proposal would render a hardship on "Master Plan". There was no response. He then traced the development from the year 1959, also reading from handbook secured from State Convention. He then referred to 1965 Executive Committee report, and to page 16 of 1966 Executive Committee where the Master Plan was installed as a guide. In 1973 it was stated that the Constitution would govern the Camp Cale progress. The Camp Cale Council's report is on page 24 of the 1973 minutes. He then reminded all present of point #4 of Master Plan.

6. Joe Scalf asked, "Where do the two plans differ?" "If we change the plan will it hinder or advance the overall plan?" Bob Poole joined him in asking what the difference was. Joe again stated his question.

H. Robert Kelly asked, "What makes the difference?"

(1) Billy Jackson replied, "The difference is sleeping in summer style or sleeping winter style. Summer style is a camp setting and the winter style is fort setting.

I. Joe Willis testified to South Mountain's Camp. It is winterized and you can't tell the difference in camp or fort atmosphere.

J. Bob Kelley asked if we were going to build a dining hall.

(1) Bobby Hewitt, "We are talking about winterizing bathrooms in two winterized cabins".

K. Bob Poole asked about the price or cost of a bathhouse.

(1) Billy Jackson suggested a cost of about $7,000.

L. Frank Williams raised a question about paragraph 10 of proposal of committee. He said that he did not think it wise to build a 16-bed cabin and have no bathrooms.

(1) A discussion followed.

(2) Dr. White read to meeting the seven things from the May meeting.

(3) Frank wanted someone to show plan and cost for all to see.

(4) The discussion continued and Bob Poole and Billy Jackson discussed septic tanks. There are several ideas as to how the law would apply to this situation.

9. Dr. White at this point reminded the meeting that no motion was on the floor.

A. There was an objection by some that a proposal was a motion.

(1) This was ruled incorrect by Dr. White.

(2) His ruling was, "There is no motion on the floor".

10. Bobby Hewitt made the following motion: "I move....."

A. Charles Harris rose to a "point of order" that a motion was on the floor.

B. Again Dr. White ruled that there was no motion on the floor.

11. Again Bobby Hewitt moved, " move that we rescind items 5, 6, and 7 of the May 21 meeting, and proceed to build two new winterized cabins with restrooms in each, and, that a delay be made in building the conference room until funds are available." Motion seconded.

12. A substitute motion was offered by Fred Davis, "I move that the Alternate Proposal, presented by the committee be adopted.

A. Bob Kelly, "Do we do it all now, or over a long period of time?"

B. Fred Davis, "Now".

C. Bob Poole, "What about cost?"

D. Roy Beam, "Tell us more about the cost."

E. Dr. White said that the proposal did not call for a dining hall.

F. The question was called for.

G. One vote "Yes" all others voting "No".

H. The moderator ruled the substitute motion had been defeated.

13. Dr. White called for the vote on the original motion by Bobby Hewitt.

A. The vote was taken. Nobody voted no. All voting voted, yes.

14. Charles Harris moved that Mr. Bass work with the committee and be the contractor as the work begins and is carried out.

A. Motion was given a second. Discussion followed.

B. Grover Morton reminded everyone of the past, present and future cost of materials.

C. Fred Davis and Jimmy Copeland shall work together and report to the Association firm prices on the construction.

D. The question was called for. Motion carried unanimously.

15. The question was raised if we should adopt the Master Plan as a guideline.

A. Charles Harris moved that we adopt the Master Plan and carry it out according to Charles C. Stott's plan.

B. The motion was seconded and passed unanimously.

16. Mrs. Lane gave a report on Jim Davemport's son.

17. Mr. Hemingway asked all pastors to get baptismal report to clerk as soon as possible so he could send report to Raleigh.

18. There was a motion to adjourn. There was a second.

19. Dr. White asked all to stand and join together in singing the first stanza of "Blest Be the Tie That Binds" followed with a prayer of benediction by Dr. White.
